TEMPTING JANEY Mary Lynn Baxter,2012-10-15 When Dillon Reed strolls into Janey Mayfield's candy shop the past opens up like a forbidden door The imposing ex marine turned high school principal is a shocking reminder of an affair that shattered all their lives After the scandal that destroyed two marriages Janey fled to Colorado with her daughter Now three years later she's come back to South Carolina determined to make a success of the business she inherited and keep control of her well ordered life But it's an uphill battle what with her rebellious teenage daughter a rash of break ins plaguing the town and an ex husband with a grudge She tells herself she doesn't want the attraction she feels for Dillon She doesn't want to be vulnerable to what his heated glance has put on offer sweet irresistible passion But Janey discovers that the more determined she is to avoid temptation the more it stands in her way

Mothers and Daughters Kylie Ladd,2015-03-02 Four mothers Four teenage daughters An isolated tropical paradise with no internet or mobile phone reception What could possibly go wrong There's tension bitchiness bullying sex drunken confessions bad behaviour and breakdowns and wait till you see what the teenagers get up to How can we let our daughters forge lives of their own when what we most want to do is hold them close and never let them go How do we let them grow and keep them protected from the dark things in the world at the same time And how can mothers and daughters navigate the troubled stormy waters of adolescence without hurting themselves and each other Clear eyed insightful and wildly entertaining this is a fascinating and honest novel about the complicated and emotional world of mothers and daughters

Myer,1997 For many middle class women of Austen's day marriage was paradoxically the only method of achieving independence Marriage could also be a life sentence Myer shows that by many accounts Austen was pretty and flirtatious though occasionally also sharp tongued and the object of at least two proposals but obstinate in her refusal to marry for other than love Her obstinacy condemned her to reliance on her family for financial support As Myer points out it also enabled Austen to write her immortal novels

Michaelmas term](#) Thomas Middleton,1885 [Jane Austen](#) Valerie Grosvenor Myer,1998-05-01 Jane Austen's world famous novels give readers a small glimpse into the author's real life

which was filled with as many ups and downs as those of Emma Woodhouse or Elizabeth Bennet. She too had to navigate her way through a stratified society filled with rules and repressions that she strove to break. But Austen was even more fascinating than her fiery female protagonists. In *Jane Austen: Obstinate Heart* Valerie Grosvenor Myer explores the writer's life with detail that will make Austen's books even more enjoyable for fans. Grosvenor Myer, who has previously written biographies of Margaret Drabble and Charlotte Brontë, delves into letters, family memories and Austen's novels to illuminate a perceptive picture of the woman herself and the social climate in which she lived. Surprises abound and the reader is left with a sense of relief that Austen remained true to her obstinate heart. This is an invaluable companion for anyone who has been absorbed in one of her spirited novels.
