[RECIPIENT'S NAME]

[RECIPIENT'S ADDRESS]

Dear [RECIPIENT'S NAME],

I hope this letter finds you well. I am writing to inform you of my unfortunate circumstances. Due to an unforeseen and immediate job relocation, I regret to inform you that I must terminate our existing lease agreement. According to the terms stated in our lease agreement, I am required to provide you with a notice period before termination.

With this in mind and given my current situation, I kindly ask for your understanding as I must depart before the end of our agreed lease period. Rest assured, I will ensure all payments and dues are settled up to the date of my departure. In addition to this, I will also take responsibility for any reasonable advertising costs or agent fees you may incur due to the early termination of our agreement.

Again, I profoundly apologize for any inconvenience caused. I fully appreciate and understand my responsibilities as a leaseholder, but please know that this decision was not made lightly. Thank you for your time and understanding given the circumstances.

Sincerely,

[YOUR NAME]

Fixico, 2007-12-12 This

invaluable reference reveals the long often contentious history of Native American treaties providing a rich overview of a topic of continuing importance. *Treaties with American Indians: An Encyclopedia of Rights, Conflicts, and Sovereignty* is the first comprehensive introduction to the treaties that promised land, self-government, financial assistance, and cultural protections to many of the over 500 tribes of North America, including Alaska, Hawaii, and Canada. Going well beyond describing terms and conditions, it is the only reference to explore the historical, political, legal, and geographical contexts in which each treaty took shape. Coverage ranges from the 1778 alliance with the Delaware tribe, the first such treaty, to the landmark *Worcester v. Georgia* case of 1832, which affirmed tribal sovereignty, to the 1871 legislation that ended the treaty process, to the continuing impact of treaties in force today. Alphabetically organized entries cover key individuals, events, laws, court cases, and other topics. Also included are 16 in-depth essays on major issues: Indian and government views of treaty making, contemporary rights to gaming and repatriation, etc., plus six essays exploring Native American intertribal relationships region by region.

[Termination and Relocation](#) Donald Lee Fixico, 1986-01-01 This text discusses the warriors of World War II and their new attitudes, the Indian Claims Commission, and the Zimmerman Plan, the Truman Fair Deal, and the Hoover Task Force Report. Commissioner Dillion S. Myer and the subject of Eisenhowerism, House Concurrent Resolution 108, and the Eighty-third Congress, public Law 280, and state interests versus the rights of Indians, the relocation program, and urbanization. Commissioner Glenn L. Emmons and economic assistance and relocation in retrospect.

[Native Americans in the Twentieth Century](#) James Stuart Olson, Raymond Wilson, 1984 *The Enduring Indians of Kansas* Joseph B. Herring, 1990 Of the 10,000 Indians forced across the Mississippi into eastern Kansas before the middle of the 19th century, a few have managed to walk the thin line between resistance to white culture and absorption into it. Herring, an archivist with the National Archive and Records Administration, tells the story of those who are still Indians and still in Kansas.

[Policing American Indians](#) Laurence Armand French, 2015-10-09 Bias, prejudice, and corruption riddle the history of US jurisprudence. *Policing American Indians: A Unique Chapter in American Jurisprudence* explores these injustices, specifically the treatment of American Indians. A mix of academic research as well as field experience, this book draws on author Laurence French's more than 40 years of experience.

[Wiyaxayxt / Wiyaakaa'awn / As Days Go By](#) Jennifer Karson, 2014-10-06 This book represents a new vista looking past the days when there were two distinct groups: those who were studied and those who studied them. This history of the Umatilla, Cayuse, and Walla Walla people had its beginnings in October 2000 when elders sat side by side with native students and native and non-native scholars to compare notes on tribal history and culture. Through this collaborative process, tribal members of the Confederated Tribes of the Umatilla Indian Reservation have taken on their own historical retellings, drawing on the scholarship of non-Indians as a useful tool and external resource. Primary to this history are native voices telling their own story. Beginning with ancient teachings and traditions, moving to the period of first contact with Euro-Americans, the Treaty Council War, and the reservation period, and then to today's modern tribal governance and the

era of self determination the tribal perspective takes center stage Throughout readers will see continuity in the culture and in ways of life that have been present from the earliest times all on the same landscape Wiyaxayxt Columbia River Sahaptin and Wiyaakaa awn Nez Perce can be interpreted to mean as the days go by day by day or daily living They represent the meaning of the English term history in two of the common languages still spoken on the Umatilla Indian Reservation
