**The Only Game That Matters** Bernard M. Corbett,Paul Simpson,2007-12-18 As Harvard graduate Roger Angell once said The Game picks us up each November and holds us for two hours and all of us homeward bound sense that we are different yet still the same It is magic For hundreds of thousands of alumni and fans the annual clash between Harvard and Yale inspires a sense of nostalgia and pride unequaled anywhere in sports For much of the year Ivy League football is overshadowed by powerhouse programs such as Miami and Michigan But not on the third Saturday of November when all eyes turn to New England for the legendary battle between the Crimson and the Blue In The Only Game That Matters Bernard M Corbett and Paul Simpson explore what makes this iconic rivalry so revered so beloved and so pivotal in college football history Known simply as The Game this tradition soaked Ivy League feud began in 1875 and it has been leading the evolution of college football ever since Although the Ivy League hasn't had a national champion in decades The Game still stands alone in the college football pantheon It is a living history its roots reaching back to a time when young men took to the field for the sake of competition not for a chance at a million dollar pro contract The Game then and now features the true student athlete Of course it also features bloody brawls ingenious pranks and breathtaking comebacks The Only Game That Matters recounts the 2002 season through the eyes of players and coaches interweaving the modern day experience with great stories of classic games past By tracing this venerable competition from its inception looking at such legendary games as 1894's Bloodbath in Hampden Park and Harvard's 29-29 win in 1968 and such influential coaches as Yale's Walter Camp the father of football as we know it the anatomy of a rivalry emerges Culminating in the thrilling 2002 contest The Only Game That Matters illuminates the unique place this storied feud occupies in today's sports world To the game of football to the spirit of rivalry to the Crimson and Blue faithful The Game is the only game that matters In this book about the remarkable football rivalry between Harvard and Yale Bernard M Corbett and Paul Simpson capture the unique intensity of this famous game as felt by the teams who go all out on each play and by the families and the alumni in the stands who live and die by each touchdown From the Foreword by Senator Edward M Kennedy Harvard '56 The Only Game That Matters does a great job of explaining why Yale Harvard is The Game one that does matter and should matter more It is a shining example of what college football and amateur sports should be From the Foreword by Governor George E Pataki Yale '67

**The Only Game in Town** Fay Vincent,2006-04-07 In this delightful book that every baseball fan will cherish ten outstanding ballplayers remember the heyday of the game in the 1930s and 1940s It was the era of Gehrig and DiMaggio of Foxx Greenberg and Williams of Grove and Feller Elden Auker Tommy Henrich Dom DiMaggio Johnny Pesky and Bob Feller recall some great rivalries Auker pitched to Ruth and Gehrig then faced Dizzy Dean in an unforgettable World Series Henrich

was a clutch player for the Yankees who alertly turned a passed ball third strike into a World Series victory Dom DiMaggio was a superb center fielder who batted 298 lifetime and nearly ended his brother Joe's hitting streak Pesky a Red Sox mainstay was blamed for Enos Slaughter's dash home that was the most memorable play of the 1946 Red Sox Cardinals World Series and Feller was a teenager when he faced among others Foxx Greenberg and Joe DiMaggio But this was also the era of great Negro Leagues stars who never had the opportunity to play in the major leagues Buck O'Neil remembers the outstanding players of his day who never got their chance or whose turn came too late Oscar Charleston Cool Papa Bell Josh Gibson and Satchel Paige among them Two great events happened in the 1940s and one of them would change the game forever World War II took some of these great players off the diamond and put them into a different kind of uniform Warren Spahn pitched his first game in 1942 and didn't pitch again until the war ended getting his first victory in 1946 nonetheless he won more games than any other left hander in history As he recalls here he served his country memorably in the war Then in 1947 Jackie Robinson broke the color barrier followed only a few months later by Larry Doby the first African American in the American League who vividly describes what it felt like to be the only black ballplayer in the clubhouse and the league The game began to change after integration and home run king Ralph Kiner remembers how some clubs were quick to sign African American players and thrive Meanwhile some Negro Leagues stars such as Monte Irvin itched for the opportunity to face the major leaguers and prove that like Robinson and Doby they could compete with the best All of these ballplayers recall their favorite memories the games that mattered most the players they all admired the childhood experiences that shaped their lives and the deep affection for the game that has always remained with them Illustrated throughout *The Only Game in Town* is a fascinating trip through two decades when baseball changed profoundly Like *The Glory of Their Times* it is a book that will find a permanent place on every fan's bookshelf
