The Open University From Within:

The Open University Daniel Weinbren, 2015-11-01 This historical perspective on The Open University founded in 1969 frames its ethos to be open to people places methods and ideas within the traditions of correspondence courses commercial television adult education the post war social democratic settlement and the Cold War A critical assessment of its engagement with teaching assessment and support for adult learners offers an understanding as to how it came to dominate the market for part time studies It also indicates how as the funding and status of higher education shifted it became a loved brand and a model for universities around the world Drawing on previously ignored or unavailable records personal testimony and recently digitised broadcast teaching materials it recognises the importance of students to the maintenance of the university and places the development of learning and the uses of technology for education over the course of half a century within a wider social and economic perspective

Insights on Education Reform in China Zhiying

Nian, 2022-09-01 Since the late 1970s China has initiated landmark reforms in education resulting in great strides in international rankings Unlike many recent books on Chinese educational reform which examine macroscopic policies this book examines the universalization of pre school education school selection in elementary education attractiveness of vocational education the operational mode of university charters the development of open universities the credit bank system in building the learning society and other aspects of education and only analyzes one specific problem in each of these contexts for the purpose of comparing China's educational reforms to their overseas counterparts through microscopic study Insights on Education Reform in China is not intended to provide a complete picture of China's educational reform Rather it addresses the types of complicated circumstances under which China has made achievements in educational reform and the conflicts arising in the context of that reform Topics covered include Education Reform Equality Standardization Governance Learning Society
