booked But all vehicles would be subject to national minimum safety standards and for private hire vehicles these would replace more than 340 sets of local regulations This will reduce the burden on business because once appropriately licensed a private hire firm could work freely across the country without geographical restrictions This would contribute to widening consumer choice and to making services cheaper and more competitive The Commission also makes suggestions covering a wide range of issues including improving provision for persons with disabilities quantity restrictions and enforcement Law Commission website **Basic Car Care Illustrated** Hearst Books,1984 The Journal of Education ,1893 Toyota Celica Service Manual Robert Bentley, inc,1984 Unity ,1888
