Key Out Of Time:

Flights of Life and Time Jon Christensen, 2025-12-12 This book is a collection of essays both anecdotal and philosophical and some are a combination of both Some are about factual episodes of the author's life experiences while others are a product of educated observations and driven by the author's innate curiosity Where possible the author has imbued the essays with humour Some however written cannot be anything but serious some might say disturbing if not controversial Therefore Dear Reader tread carefully
