**Infant Tongues** Elizabeth Goodenough,Mark A. Heberle,Naomi B. Sokoloff,1994 Using various critical approaches and disciplines 20 contributors examine the representation of children in literature from the Renaissance to the present The essays cover problems in imitation of speech and dialect uses of narrative voice creative development of child writers and shifting cultural conceptions of childhood illustrating the way children s voices have often been mediated modified or appropriated by adult writers Book News Inc     *Housman Country* Peter Parker,2016-06-30 Why is it that for many people England has always meant an unspoilt rural landscape rather than the ever changing urban world in which most English people live What was the England for which people fought in two world wars What is about the English that makes them constantly hanker for a vanished past so that nostalgia has become a national characteristic In March 1896 a small volume of sixty three poems was published by the small British firm of Kegan Paul Trench Tr bner Co Ltd in an edition of 500 copies priced at half a crown each The author was not a professional poet but a thirty seven year old professor of Latin at University College London called Alfred Edward Housman who had been obliged to pay 30 towards the cost of publication Although slow to sell at first A Shropshire Lad went on to become one of the most popular books of poetry ever published and has never been out of print As well as being a publishing phenomenon the book has had an influence on

English culture and notions of what England means both in England itself and abroad out of all proportion to its apparent scope Housman Country will not only look at how A Shropshire Lad came to be written and became a publishing and cultural phenomenon but will use the poems as a prism through which to examine England and Englishness The book contains a full transcript of A Shropshire lad itself also making it a superb present **Country Life Illustrated** ,2005 *The Horn Book Guide to Children's and Young Adult Books* ,2006 *British Book News* British Council,1992 Includes no 53a British
