

THE BREAKDOWN OF THE STATE IN LEBANON 1967–1976

FARID EL-KHAZEN

The Breakdown Of The State In Lebanon 1967 1976

Rachel Sandford

The Breakdown Of The State In Lebanon 1967 1976:

The Breakdown of the State in Lebanon, 1967-1976 Farid El Khazen, 2020-12-10 Why did the Lebanese state the most open and democratic political system in the Middle East break down between 1967 and 1976 In this major contribution to the debate Fazel el Khazen rejects the standard explanations of the Lebanese Civil War and argues instead that the causes were due to the official state ideology which recognized diversity dissent and a highly pluralistic population and then specific external factors pressures from the Arab Israeli Conflict inter Arab rivalries and the Palestine Liberation Organization s close connection to Lebanese politics Using an historical analysis el Khazen sheds light on the political situation of the country in the lead up to the conflict and the major role Lebanon s neighbours had in the events The detailed and comprehensive account uses interviews with the key protagonists in the civil war and analysis of unpublished sources to reveal how and why the breakdown took place

The Breakdown of the State in Lebanon, 1967-1976 Farid El-Khazen, 2000 *Lebanon* Tom Najem, 2012-03-12 Written in a clear and systematic manner this highly topical read fills a conspicuous gap in existing academic literature on the contemporary political environment and society in Lebanon Divided into two parts Part One examines the pre civil war system the circumstances of its formation its unique characteristics its weaknesses and dynamics and Part Two analyses how circumstances resulting from the civil war combined with essential pre war elements to define the contemporary political processes in Lebanon

Conflict, Diplomacy and Society in Israeli-Lebanese Relations Efraim Karsh, Michael Kerr, Rory Miller, 2013-09-13 This book is a wide ranging and innovative study of Israeli Lebanese relations from the birth of the Jewish state in 1948 to the Israel Lebanon War of 2006 Israel s relationship with its Arab neighbours is a subject of perennial interest in the Middle East The relationship between Israel and Lebanon has taken numerous forms since the establishment of the Jewish state and the chapters in this timely and important volume provide a comprehensive detailed and informative analysis of the evolving ties between the two countries up to the present day The contributors are drawn from numerous disciplines in the social sciences and humanities and contributions range from the impact of the Arab Israeli conflict on the Jews of Lebanon to the role of external powers the EU the US and Arab world on Israeli Lebanese relations as well as the legal mechanisms regulating the bilateral political relationship to the Palestinian Refugee problem as a factor in Israeli Lebanese relations This book was published as a special issue of *Israel Affairs*

We Are Your Soldiers Alex Rowell, 2023-11-14 The Best of The Economist s Middle East coverage in 2024 A searing exploration of authoritarianism in the Middle East through the legacy of Gamal Abdel Nasser s years in power in Cold War era Egypt Gamal Abdel Nasser the larger than life Egyptian president who ruled for eighteen years between the coup d tat he led in 1952 and his death in 1970 is best known for wresting the Suez Canal from the British and French empires and befriending such iconic revolutionaries as Fidel Castro and Che Guevara Yet there is a darker side to Nasser s regime He was a brutal authoritarian whose legacy Alex Rowell argues lies at the heart of the violent and repressive order that still prevails throughout the Arab world today We

Are Your Soldiers examines seven countries Egypt Iraq Syria Lebanon Jordan Yemen and Libya weaving the epic tale of Nasser's dramatic encounters with each to reassess his impact in the Arab sphere These engagements were often drenched in blood and destruction leaving deep scars that endure to the present Rowell shows how the Nasser years were crucial to the formation of regimes as varied as Bashar al Assad's Syria Muammar al Gaddafi's Libya Saddam Hussein's Iraq and Abd al Fattah al Sisi's Egypt Crushing democracy at home while launching wars and slaying opponents abroad Nasser ushered in the long political winter from which the region is still yet to emerge Drawing on a deep reading of Arabic sources extensive interviews and material never before published in English Rowell offers a necessary reexamination of Nasser's rule and a new understanding of the politics of the Middle East

In the Eye of the Storm Mitri Raheb, 2023-06-23 The situation of Christians in the Middle East has become an important topic of international discussion as well as an important theme covered in the media as several CBS Sixty Minutes programs have highlighted the plight of Christians in Palestine Syria Jordan Lebanon and Egypt In the Eye of the Storm tells the story of the plight of twenty first century Middle Eastern Christians in five countries Palestine Israel Jordan Lebanon and Egypt in the context of the so called Arab Spring and within a destabilized region that is a geopolitical triangle shaped by Israeli hegemony and Arab Iranian tensions The book places the situation of the Christians within the wider sociopolitical context of the Middle East in the twenty first century A unique feature of this book is that it is written mainly by native Christians who have spent their entire lives in the region and continue to live there In the Eye of the Storm therefore provides an insider perspective rather than a hegemonic and colonial outsider perspective This book hopes to offer a sociopolitical framework for the Christians of the Middle East thus allowing them to tell their own story as they see it and not one that has been projected onto them by outside forces

Arab Studies Journal, 2003 **Journal of Palestine Studies**, 2003 *Beirut 1975-1990* Sofia Toufic Shwayri, 2002 Beirut the Lebanese capital was for more than fifteen years a battlefield of conflicting interests that shifted between phases of destruction and phases of construction Much of the research into the city's 1975-1990 war period has often focused on the spaces of divisions highlighting the factions that helped erect and maintain them and overlooking other types of spaces that emerged in parallel such as the informal enclaves and private clubs Meanwhile these narratives lose sight of the continuous struggle of the Lebanese State to sustain its shrinking spatial base and consequently its dwindling political power This dissertation explores the process of urban change during conflict and more specifically how the shifting alliances between warring factions relate to spatial transformation Based on the contemporaneous destruction and construction of particular districts across the city I hypothesize that the interests of emerging groups displaced migrant Shiites businessmen and politicians drove the way certain areas developed and prospered while others declined and dwindled

Index to Jewish Periodicals, 2000 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests

A Concise History of the Middle East Arthur Goldschmidt, Lawrence Davidson, 2010 The classic bestseller on the history of the Middle East by
