The Bush:

Confronting the Bush Doctrine Melvin Gurtov, Peter Van Ness, 2004-10-28 There is no doubt that President George W Bush and his administration have transformed US foreign policy and reshaped global international relations in a very profound way Many American commentators continue to talk about 9 11 as the day the world changed but increasingly analysts around the world are concluding that more important than 9 11 have been the ideas that the Bush leadership brought into office in January 2001 *Confronting the Bush Doctrine* is the first book to take on the vitally important task of analyzing how the Asia Pacific region sees and evaluates what the United States is doing With contributions from an outstanding group of scholars many of whom are based in the region this book will prove to be an invaluable resource to all students and scholars of American and Asian politics

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
