Land of the Bear Denny Geurink, 2014 This fascinating book relates all the excitement mystery danger and adventure of living and traveling in Siberia It all started back in 1991 when I received an invitation via the Gorbachev government in conjunction with a mining company working with the Soviet Union to visit write about photograph and film what the country had to offer American tourists and hunters This was the era of Glasnost and Perestroika Gorbachev wanted to bring in American tourists to bolster the sagging economy That first expedition led to 22 years traveling back and forth to the former Soviet Union now Russia where I hung out with the KGB met numerous dignitaries and lived in tents and trappers cabins in Siberia with the local natives We were attacked by bears wild boars and moose Among those traveling with me were Apollo Astronaut Jim McDivitt who was stalked by a Russian bear and a four star air force general Earl O Loughlin who used to fly spy plane missions over the former Soviet Union This made for a very interesting confrontation with the KGB During my time

in Siberia I got to know many of the native people who relayed numerous sad and harrowing stories of encounters with giant bears The book is jam packed with historical perspective of what was happening at this time in Russia including how the people lived worked survived and what they thought of Americans While framed by hunting this book is as much about the people and the culture of Siberia About the Author Now retired Michigan native Denny Geurink was previously a teacher and the Midwest editor for Field Stream magazine He wrote a weekly newspaper outdoor column for nearly forty years Publisher s website <http://sbprabooks.com> DennyGeurink *Whole Dog Journal Handbook of Dog and Puppy Care and Training* Nancy Kerns,2007-12-01 The Whole Dog Journal Handbook of Dog and Puppy Care and Training features advice on behavior and positive training techniques guidance about natural care and nutrition and information about holistic care such as chiropractic herbal remedies massage acupuncture and homeopathy It covers all aspects of canine health including cancer treatments and most important of all it focuses on how to have fun with a dog This book equips readers with the tools to understand dogs to encourage their physical and emotional wellness and to elicit their full potential and vitality and to do it naturally *Judy's Annual* ,1885 **The Camp of the Dog** Algernon Blackwood,2012-11-05 A jolly campout on an island in the Baltic Sea slowly turns terrifying as a mysterious canine follows the footsteps of a young woman In 1906 07 Algernon Blackwood wrote a short story cycle telling of the adventures of psychic detective ghostbuster John Silence a sort of Sherlock Holmes meets H P Lovecraft meets Hermann Hesse Algernon Blackwood 1869 1951 was a prolific fantasy and horror writer whose total production consists of more than 200 short stories 12 novels a couple of plays an autobiography and even some poetry Over 50 distinct book editions of his works have been published in the US and UK counting the reprint collections Today his books are mostly out of print but he is far from forgotten His style of writing is very intense emotionally and holds a strong fascination for the reader The supernatural element is carefully woven into the plot which often turns the ordinary and familiar into something mysterious and awesome Many of his tales take place outdoors in some magnificent setting of nature like the wilderness of Canada the swamplands of the Danube river or the Black Forest in Germany Nature spirits haunted houses the spirits of the dead and other ancient sorceries all abound in his strange tales *The Contributor* ,1889
