**Labrador Fiasco** Margaret Atwood, Leonides Hubbard, 1996      *The Labrador Fiasco* Margaret Atwood, 1996-01-01

Margaret Atwood and the Female Bildungsroman Ellen McWilliams, 2017-03-02 Examining Margaret Atwood's work in the context of the complex history of the Bildungsroman Ellen McWilliams explores how the genre has been appropriated by women writers in the second half of the twentieth century She demonstrates that Atwood's early work her own coming of age fiction including unpublished works as well as *The Edible Woman* *Surfacing* and *Lady Oracle* both engages with and works against the paradigms of identity which are traditionally associated with the genre Making extensive use of unpublished manuscripts in the Atwood Collection at the University of Toronto McWilliams uncovers influences that shaped Atwood's fashioning of identity in her early novels paying particular attention to Atwood's preoccupation with survival as a key symbol of Canadian literature culture and identity She also considers the genre's afterlife on display in *Cat's Eye* *The Robber Bride* *Alias Grace* *The Blind Assassin* and *Moral Disorder* in which the formulations of selfhood and identity in Atwood's early fiction are revisited and developed Atwood emerges as a writer who self consciously invokes and then undercuts the traditions of the Bildungsroman a turn that may be read as a means of at once interrogating and perpetuating the form McWilliams's book furthers our understanding of subjectivity in Atwood's fiction and contributes to ongoing conversations about the role gender and cultural contexts play in reframing generic boundaries      *Moral Disorder: A Story* Margaret Atwood, 2014-07-29 The author of such towering novels as *The Handmaid's Tale* *The Blind Assassin* and *Oryx and Crake* Margaret Atwood creates worlds just as vividly in her short fiction In the title story from her acclaimed collection of linked stories *Moral Disorder* Margaret Atwood takes us to the farm Newly arrived city slickers like Nell and Tig shouldn't have animals a notion corroborated by the true farmers down the road for them livestock would mean dead stock But Tig's two boys will be at the farm on weekends and it would be good for them to know where their food comes from First come the chickens then the ducks before Nell knows it the cows have arrived too And soon Nell finds herself becoming a different woman than she ever thought she might be The New York Times notes that The tremendous imaginative power of Atwood's fiction allows us to believe that anything is possible this applies as much to her fantastically imagined worlds as it does to the life of a family in the countryside An eBook short      *Moral Disorder* Margaret Atwood, 2009-09-03 By the author of *The Handmaid's Tale* and *Alias Grace* This collection of short stories follows a woman at different points in her life from the loneliness of childhood the ardour and confusion of young adulthood and the mortality we must all eventually face up to *Moral Disorder* is Margaret Atwood at her very finest Praise for *Moral Disorder* Atwood entices us to flip through the photo album of a Canadian woman who closely resembles herself Come here sit beside me she seems to say Then she takes us on an emotional journey through loneliness love loss and old age Sarah Emily Miano The Times Atwood makes it look so easy doing what she does best tenderly dissecting the human heart A marvellous writer Lee Langley Daily Mail A model of

distillation precision clarity and detail Atwood writes with compassion and intensity not only about her characters but also about the 20th century itself Mary Flanagan Independent **Every Trail Has a Story** Bob Henderson, 2005-03-07 Canada is packed with intriguing destinations where heritage and landscape interact Bob Henderson captures our living history and its relationship to the land Imagining Care Amelia DeFalco, 2016-04-06 Imagining Care brings literature and philosophy into dialogue by examining caregiving in literature by contemporary Canadian writers alongside ethics of care philosophy Through close readings of fiction and memoirs by Margaret Atwood Alice Munro Michael Ignatieff Ian Brown and David Chariandy Amelia DeFalco argues that these narratives expose the tangled particularities of relations of care dependency and responsibility as well as issues of marginalisation on the basis of gender race and class DeFalco complicates the myth of Canada as an unwaveringly caring nation that is characterized by equality and compassion Caregiving is unpredictable one person's altruism can be another's narcissism one's compassion another's condescension or even cruelty In a country that conceives of itself as a caring society these texts depict in stark terms the ethical dilemmas that arise from our attempts to respond to the needs of others **Regionalism in the Age of Globalism: Forms of regionalism** Lothar Hönnighausen, 2005 *The Life and Voyages of Joseph Wiggins, F.R.G.S.* Henry Johnson, 1907 Biography 1832 1905

*Turn of the Story* Heidi Harms, Sandra Joan Thomas, 1999 A collection certain to become the gold standard for short fiction anthologies Canadian or otherwise Turn of the Story represents and celebrates the work of twenty of Canada's finest contemporary writers including Margaret Atwood Dionne Brand Bonnie Burnard Elisabeth Harvor Steven Heighton Greg Hollingshead Monique Proulx Carol Shields and Guy Vanderhaeghe among others The editors invited submissions from established writers and new writers and everyone in between making excellence the sole criterion for inclusion As a result this book will long be treasured not only for unveiling new work by favourite writers but for bringing to our attention writers who are poised to carry on Canada's literary legacy in the years ahead **The Red Shoes** Rosemary Sullivan, 2012-07-03 International award winning and best selling author Canadian cultural icon feminist role model man hater wife mother private citizen and household name who is Margaret Atwood Rosemary Sullivan award winning literary biographer has penned The Red Shoes Margaret Atwood Starting Out the first portrait of Canada's most famous novelist focusing on her childhood and formative years as a writer and the generation she grew up in When Margaret Atwood was a little girl in 1949 she saw a movie called The Red Shoes It is the story of a beautiful young woman who becomes a famous ballerina but commits suicide when she cannot satisfy one man who wants her to devote her entire life to her art and another who loves her but subjugates her to become his muse and inspiration She struggles to choose art but the choice eventually destroys her Margaret Atwood remembers being devastated by this movie but unlike many young girls of her time she escaped its underlying message Always sustained by a strong sense of self Atwood would achieve a meteoric literary career Yet a nurturing sense of self confidence is just one fascinating side of our most famous literary figure as examined in Rosemary

Sullivan's latest biography *The Red Shoes* is not a simple biography but a portrait of a complex intriguing woman and her generation. The seventies in Canada was the decade of fierce nationalist debate a period during which Canada's social imagination was creating a new tradition. Suddenly everyone from Robertson Davies to Margaret Laurence was talking and writing about a Canadian cultural identity. Margaret Atwood was no exception. For despite her tremendous success that transcends the literary community catapulting into the realm of a household name Margaret Atwood has remained very much a private person with a public persona. Rosemary Sullivan reveals the discrepancy between Atwood's cool acerbic public image and the down to earth straight dealing and generous woman who actually writes the books. Throughout she weaves the issues of female creativity authority and autonomy set against the backdrop of a generation of women coming of age during one of the most radically shifting times in contemporary history.

On the Art of Being Canadian Sherrill Grace, 2009. When Vincent Massey wrote *On Being Canadian* in 1948 he acknowledged the importance of the arts to education and the production of good Canadian citizens. What he did not consider was what the arts and artists can tell us about being Canadian. In *On the Art of Being Canadian* Sherrill Grace begins with the premise that the arts have shaped and continue to inform Canadian identity. Drawing upon a wealth of artistic expression that spans over a century of painting fiction poetry drama and film she traces how the arts and artists have contributed to three key themes in Canadian culture commemoration and myth making the North war and iconic national figures such as Louis Riel Emily Carr Tom Thomson and Mina Hubbard. By telling stories in their chosen media and genres about life here or about events and figures from the past she shows that artists help us to understand the Canadian landscape and to create a shared history. All students of Canada whether at home or abroad will find much to savour enjoy and reflect on in this beautifully illustrated volume.
