Hirsh Goldberg,1994 The author of *The Blunder Book* and *The Book of Lies* is back with his most entertaining human foible book yet *The Complete Book of Greed* romps through the history of human avarice to expose a trove of unimaginable extravagance From the ancient

Egyptian pharaohs who filled their massive burial pyramids with gold in hopes of taking it with them to today's oil sheiks and corporate chieftains Goldberg humorously details the bizarre lifestyles of the rich and greedy down through the ages including the wife who was awarded the largest divorce settlement in history 950 million plus property the billionaire who installed a pay telephone in his mansion for use by his guests the maharajah who made his six Rolls Royces into garbage trucks the spectacular swindle that caused Barbara Walters Alan Alda Barbra Streisand and the chairmen of Pepsico Citicorp and General Electric to lose hundreds of thousands of dollars and the 100 million party that was held in 62 tents spread over 160 acres With the droll style and amusing caricatures that Goldberg's readers enjoy *The Complete Book of Greed* is an entertaining odyssey through the annals of conspicuous consumption

Greed Richard Girling, 2009 Selfishness and greed have been our tools of survival from the very beginning ever since our earliest forebears climbed down from the trees and set off across the savannah in search of God Evolution has given us an instinct that is as crucial to our survival as fear or sex but in the third millennium greed has become a juggernaut that is steering out of control The world cannot go on fulfilling the demands we make of it but the juggernaut is showing no signs of slowing down And yet we can still appreciate the genius of those whose ambitions have created works of art gourmet food and brilliant technologies Spanning across a whole range of issues including obesity American evangelism the Iraq war and GM food Greed is not just a lament for lost innocence or an assault on the fat cats it's also a celebration of all that greed has prompted us to achieve It began as a primitive instinct but greed has become a driving force so powerful it is capable of over riding everything in its path
