The Bridge Of Truth:

Truth'S Blood Tyler Roberts,2012-12-20 It hadnt seemed possible that a president whose policies had impoverished millions could be reelected It was the waning years of the American empire and the liberties represented in the Constitution and the Bill of Rights were a fading memory The government monitored every aspect of American life and the drones buzzing overhead served as a constant reminder but it was the governments reckless spending that brought the nation to its knees Now the economy is in ruin and the presidents European style welfare state stands at the brink of collapse The United States is unable to repay its debts China has come seeking payment in real assets and they mean business Chaos reigns power has been cut select cities have been decimated by nuclear bombs and burned out houses occupy neighborhoods like rotting teeth in the mouth of a crack addict What was new is now old and what was old is now new again Cliffson Langs son attempts to escape the fires and mobs overrunning the city of Seattle When Cliffson is called away to help his other son is kidnapped by occupying forces and placed in a work camp Truths Blood is the Lang familys story of survival at a time when government dependency must be replaced by self reliance As the United States experiences the disintegration of society and foreign occupation their challenge verges on the impossible *My Godmother's Stories from Many Lands* Mrs. T.
