Hues and Shirts: Choosing Colors for Designs Christa Warren, 2024-10-30 Dive into the vibrant world of color and its application in shirt design with *Hues and Shirts: Choosing Colors for Designs*. This comprehensive guide unravels the science behind color theory, explores the psychological impact of colors, and provides practical tips for creating eye-catching and impactful designs. From understanding color relationships and palettes to mastering color psychology and trends, this book equips you with the knowledge to make informed color choices that resonate with your target audience and brand identity. Discover the art of color storytelling, explore printing and manufacturing considerations, and unlock the secrets to creating designs that stand out and leave a lasting impression. *Ingall's Home and Art Magazine*, 1890 Happy Amanda Talbot, 2014-12-01 Amanda Talbot demonstrates how architecture and interior design at their best can make us safer, healthier, more efficient, enlightened, and productive, all contributing to a fundamental sense of wellbeing. In essence, *Happy* shows us ways in which design can help us live a happy life. This global survey reveals how designers are creating joyous living spaces that play to our emotions, speaking to our hearts as much as to our heads through strategic planning and execution, and by using carefully chosen colours, textures, quality of materials, and finishes. Chapters which incorporate case studies from homes around the world, as well as styled images, include: Colour, Communal, Down time, Edit, Flow, Humour, Light, Location, Memories, Nature, Order, Play, Senses, and Spontaneity. *Garth Williams, American Illustrator* Elizabeth K. Wallace, James D. Wallace, 2016-05-02 Open the pages of so many children's classics and get a glimpse into the life of Garth Williams, the artist that sparked the imagination of generations. *Stuart Little*, *Charlotte's Web*, *The Rescuers* are just a few books that Williams' beautiful illustrations brought to life. Born in New York in 1912, he was educated in England and returned to the States in the 1940s, encountering a vibrant art and cultural scene. He married four times throughout his life, living in different cities and countries over the years and meeting many people who shaped and exemplified the 20th century. Winston Churchill, E. B. White, and many more. This is the story of how Williams' journey took him from winning awards for his sculptures in London to capturing the essence of frontier life in the American West, to rendering the humanity of beloved characters. A contrast to the rapid suburbanization of the post-war era, Williams' illustrations nurtured a connection with the natural world and a disappearing rural lifestyle. By tapping into American themes, his work speaks to the postwar desire for simplicity. Complete with more than 60 illustrations, this is the first full biography of Garth Williams, written with the help and cooperation of his family. *Love by Design* Lisa Watson, 2014-09-16 He lost her once. Is this their second chance? Transforming a vision for Belle Cove Resorts into reality is a breakout move that could take Dakota Carson's image specialist company to the next level. But it means teaming up with the man who broke her heart. Soon enough, Dakota's overwhelming desire for the gorgeous entrepreneur reawakens. But giving in to passion could cost her way too much. Years ago, Logan Montague walked away from everything, including the woman he loved. Now CEO of his family's international

resort chain he won't risk losing Dakota another time. With his matchmaking aunt's blessing, he and Dakota are united in business and pleasure. And so Logan embarks on his scheme of seduction, sweeping Dakota away to an exotic Jamaican hideaway. With both their professional and personal futures on the line, can they learn to trust and love each other again?
