Browns of Curry and Beyond Gordon H. Hills, 2003-03-01 The author an adopted son identifies with his biological father's hometown and family in a fictional description of their lives then goes on to narrate various experiences in his own life beyond this setting **Reports of Cases Argued and Determined in the Supreme Court of Ohio** Ohio. Supreme

Court, 1884 **More Molecules of Murder** John Emsley, 2017-06-23 How can a plant as beautiful as the foxglove be so deadly and yet for more than a century be used to treat heart disease The same is true of other naturally occurring molecules as will be revealed in this current book by award winning author and chemist John Emsley *More Molecules of Murder* follows on from his highly acclaimed earlier book *Molecules of Murder* and again it deals with 14 potential poisons seven of which are man made and seven of which are natural It investigates the crimes committed with them not from the point of view of the murderers their victims or the detectives but from the poison used In so doing it throws new light on how these crimes were carried out and ultimately how the perpetrators were uncovered and brought to justice Each chapter starts by looking at the target molecule itself its discovery its chemistry its often surprising use in medicine its effects on the human body and its toxicology The rest of the chapter is devoted to murders and attempted murders in which it has been used But be reassured that murder by poison is not the threat it once was thanks to laws which restrict access to such materials and to the skills of analytical chemists in detecting their presence in incredibly tiny amounts **More about Paddington** Michael Bond, 1997
