**The Call to Conversion** Jim Wallis,1992     *The Call to Conversion* Jim Wallis,1982 This work examines two fundamental questions Christians must answer what is the nature of authentic conversion today and how can people heed the biblical call to conversion today     [The Call to Conversion](#) Jim Wallis,2009-10-13 With a growing gap between the rich and the poor the looming threat of terrorism and the enormous costs of war where do we find hope In The Call to Conversion Wallis says the only hope for our nation's soul is a conversion to the values Jesus preached and a government policy which reflects those values Wallis author of the New York Times bestseller God's Politics provides an insightful critique of American culture and politics offering inspiring stories that show a way out of our dilemma He elaborates on the concept of conversion surveying both its biblical and historical meanings as well as how we can reassess the significance of conversion in today's world By gaining such a profound understanding Wallis argues we will come to see how economic injustice and the threat of war can serve as the tests for measuring the depth of both our personal and our shared spirit Jim Wallis is the founder and editor of Sojourner magazine and the president and convener of Call to Renewal a national federation of churches and faith based organizations who work with the government to overcome poverty and revitalize American politics Time magazine named Wallis one of the 50 Faces for America's Future and he has been a Visiting Fellow at Harvard's Kennedy School of Government His books include Faith Works and The Soul of Politics Revised and updated Call to Conversion offers an unflinching critique of the church across denominational lines that's just as relevant today as it was in 1981 if not more so Science Spirit magazine     **The Gospel Call and True Conversion** Paul Washer,2013-06-21 The apostle Paul gave the gospel the first place in his preaching endeavored with all his might to proclaim it clearly and even went so far as to pronounce a curse upon all those who would pervert its truth Yet how sad it is that many even among those considering themselves evangelicals have reduced the gospel message to a few trite statements to be repeated and view conversion as a mere human decision In The Gospel Call and True Conversion Paul Washer challenges such easy believism as he examines the real meaning of things like faith repentance and receiving Christ He also deals extensively with the effects of saving grace that God promises in the new covenant namely the creation of new hearts and new people Table of Contents PART ONE The Gospel Call 1 A Call to Repentance 2 A Call to Faith 3 Believe and Confess 4 Receiving Christ 5 Christ at Heart's Door PART TWO New Hearts and the Nature of True Conversion 6 The Great Motive and End of Salvation 7 The Author of Salvation 8 Separation and Cleansing 9 A New Heart 10 The Effectual Spirit PART THREE New People and the Nature of True Conversion 11 The Glory of the New Covenant 12 The Making of New People 13 The Christian's Sure Knowledge of God 14 The Heart and Way of God's People 15 The Everlasting Covenant 16 God's Goodness to His People Series Descriptions Although the Recovering the Gospel Series does not represent an entirely systematic presentation of the gospel it does address most of the essential elements especially those that are most neglected in contemporary Christianity It is the hope of
