The Carcass:

The Carcass & Other Stories Dave Sims, 2020-03-17 I m pleased to have been asked to write the forward to this collection of splendid and heretofore mostly unseen short stories all of which were written from roughly the mid 1980s to the mid 2000s by my longstanding friend and constant teacher Dave Sims Mostly the stories transpire in what might reasonably be called working class settings They re inhabited by a range of peculiar characters many of them troubled and distressed some of them near death all of them ingenuously sprung from Sims singularly rich and fertile imagination These are stories that deserve to be read pondered and of course enjoyed While recently re reading them I was struck as happened often when I first encountered them years ago by how strange and real and fully alive the characters seemed I marveled once again at the details and contours of the stories themselves their beautiful and inventive architecture the snap and rhythm of the sentences and the keen restless intelligence from whence they sprang *Jesus the Carcass and the Wicked God* Patrick

Wangui, 2018-10-06 *Jesus the Carcass and the Wicked God* is the book with the message of the time It reveals to you what you have never thought of or imagined It helps open up your mind and eyes to see what it means to have a rotten system a decaying living humanity a stinking church and a general untrustworthiness of man In this book there s nothing hidden in parables proverbs metaphors or such likes Things are straightforward and in simple language Have you ever thought of Jesus being a carcass yet you know he lives forever or of God being wicked yet you know how good he is all the times Can you at any time challenge God your creator and term the holy books as rubbish Just imagine Judas Iscariot being your savior yet you have a good background on how he betrayed Christ Just explore what you have never seen before **Time Will Clean the**
