

A group of five diverse young adults (three women and two men) are smiling and looking towards the camera. They are wearing casual clothing like jackets and a plaid shirt. A semi-transparent blue overlay covers the entire image. Centered over the image is the text "Caribbean CONNECTION" in a stylized font. "Caribbean" is in a white script font, and "CONNECTION" is in a bold, yellow, sans-serif font.

## **The Caribbean Connection A Last Post:**

The Caribbean Connection Robert Chodos, 1977 Canada's connection to the Caribbean is a long standing one sailing ships from Halifax plied the trade routes in the nineteenth century carrying cod and timber south and bringing back sugar and rum Missionaries and bankers followed and many of them stayed In recent years politics and business in the region have undergone drastic changes and most countries have gained formal independence Canada has not always adapted well to these changes and is not necessarily regarded as a friendly country by many West Indians In this book first published in 1977 Robert Chodos offers a broad ranging exploration of Canada's Caribbean connection combining a concern for the broad issues it entails with a perceptive reporter's eye for telling detail The Last Post, 1977 **The New Practical Guide to Canadian Political Economy** Daniel Drache, Wallace Clement, 1985-01-01 The New Practical Guide to Canadian Political Economy is a handy reference to the vast range of research and writing that political economists in Canada have completed to the date of publication The book is divided into twenty five subject bibliographies each one compiled and introduced by an expert in the field The overall range of subjects includes economic development in Canada Canada's external economic relations regional disparities and regional development social and economic classes women Native peoples politics and the Canadian state nationalism culture and political thought The book is indexed by author and includes a helpful shortlist of the staples in Canadian political economy Published in 1985 The New Practical Guide to Canadian Political Economy remains a useful reference to some of the classic literature of the discipline **Network World**, 1988-10-17 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce **Ebony Roots, Northern Soil** Charmaine A. Nelson, 2010-10-12 Ebony Roots Northern Soil is a powerful and timely collection of critical essays exploring the experiences histories and cultural engagements of black Canadians Drawing from postcolonial critical race and black feminist theory this innovative anthology brings together an extraordinary set of well recognized and new scholars engaging in the critical debates about the cultural politics of identity and issues of cultural access representation production and reception Emerging from a national conference in 2005 the book records critiques and yet transcends this groundbreaking event Drawn from a range of disciplines including Art History Communication Studies Cultural Studies Education English History and Sociology the chapters examine black contributions to and participation within the realms of popular music television and film the art world museums academia and social activism In the process the burning issues of access to cultural capital the practice of multiculturalism definitions of black Canadianness and the state of Black Canadian Studies are dissected Attentive to issues of sexuality and gender as well as race the book also explores and challenges the dominance of black Americanness in

Canada especially in its incarnation as hip hop Acknowledging a differently constituted and heterogeneous black Canadianness it contemplates the possibility of an identity in dialogue with and yet distinct from dominant ideals of African Americanness Ebony Roots also explores the deficit in Black Canadian Studies across the nation's universities drawing a line between the neglect of black Canadian populations histories and experiences in general and the resulting lack of an academic disciplinary infrastructure Poignant blends of the personal and the political the chapters are both scholarly in their critical insights and rigour and daring in their honesty Ebony Roots defiantly foregrounds the often disavowed issues of institutional racism against blacks in Canadian academia education and cultural institutions as well as the injurious effects of everyday racism In so doing the book challenges the myth of Canada as a racially benevolent and tolerant state the great white north free from racism and the legacy of colonialism Instead the very definitions of Canada and black Canadianness are unpacked and explored Ebony Roots is a necessary history lesson a contemporary cultural debate and a call to action It is a momentous and overdue contribution to Black Canadian Studies and a must read for academics students and the general public alike
