The Kent Affair Documents And Interpretations:

The Kent Affair, 1971 The Kent Affair Ottavio M. Casale, 1971 This book puts at the reader's disposal a collection of documents and other materials including photographs, maps, and cartoons which will enable him to assess objectively the events that took place at Kent State University, Kent, Ohio, May 1-4, 1970. Among the documents here represented are news reports, letters, and editorials from across the nation, that portion of the Scranton Report dealing with the Kent State affair, and the Report of the Special Grand Jury of Portage County, Ohio, on the same events. Back cover *The Kent State Incident* Thomas R. Hensley, 1981-06-26 *Junior College Journal* Walter Crosby Eells, 1970 Includes Junior college directory formerly Directory of the junior college 1931-1945 The 1960s Rebecca Jackson, 1992-12-10 The 1960s were a particularly turbulent period and the events of those years continue to interest and influence American society. This bibliography records and documents the most significant happenings of that decade. The volume spans the years between 1960 and the resignation of President Nixon in 1974. It includes citations for more than 1300 books related to that period. Some of the books were written during the 1960s and directly influenced people of that time. Others were written afterward and analyze and interpret the events of the decade. The entries are arranged in topical chapters and each citation is accompanied by a descriptive and evaluative annotation. The volume begins with an introduction that overviews and discusses the major events and trends of the time. The 17 topical chapters that follow treat virtually every aspect of life in the 1960s. The first few chapters include general works on the underlying social, political, and economic conditions that served to define the decade. Other chapters discuss works on the presidencies, social protests, the impact of the Vietnam War, the cultural revolution, and trends in art, music, literature, and religion. The bibliography concludes with author, title, and subject indexes that add to its value as a reference tool **Library of Congress Catalogs** Library of Congress, 1976 Turning Points—Actual and Alternate Histories Rodney P. Carlisle, J. Geoffrey Golson, 2007-09 Offering a unique approach to studying one of the most eventful eras in American history, this volume looks at a dozen key events of the 1960s and 1970s and considers the possible paths history might have taken if the outcomes had been different. This volume in the Turning Points: Actual and Alternative Histories series looks at a tumultuous recent era in American history, a time when pivotal, often tragic, world-changing events seemed to be happening at an alarming rate. *America in Revolt* during the 1960s and 1970s looks at 12 significant events from the assassination of John F. Kennedy to the passage of the Civil Rights Act, from the student killings at Kent State to Richard Nixon's resignation. Drawing on the concepts of alternative history, the book portrays each event as it happened, then considers some plausible alternative scenarios of how history would have been different if these events had not occurred. It is a uniquely thought-provoking way of exploring an explosive era whose aftershocks continue to shape the American experience today *The Vietnam War on Campus* Marc J. Gilbert, 2001 Previous analyses of the student antiwar movement during the Vietnam War have focussed almost exclusively on a few radical student leaders and upon events that occurred at a

few elite East Coast universities This volume breaks new ground in the treatment it affords critiques of the war offered by conservative students in its assessment of antiwar sentiment among Midwestern and Southern college students and in its investigation of antiwar protests in American high schools It also provides fresh insight through a discussion of the ways in which American films depicted the student movements and an examination of the role of women and religion in the campus wars of the Sixties and Seventies The campus dimensions of the antiwar movement were more broad based and more diverse in membership roots and strategy than is often assumed Each essay in this collection strives not only to present a fair minded picture of the impact of the Vietnam War on campus but also to offer balanced reflections on its significance for today's body politic Contributing authors conclude leading scholars on the war's impact on American society and two artists closely associated with that conflict Vietnam veteran writer and poet W D Ehrhart and Country Joe McDonald author of the antiwar era anthem I Feel Like I'm Fixing to Die Rag

The Fourth of May William A. Gordon, 1990 May 4 1990 marks the 20th anniversary of the day Ohio National Guardsmen fired on antiwar demonstrators at Kent State University killing four of them and wounding eight others Authors Sorvig and Gordon have produced two very different books relating to that event Sorvig's is a highly personal account of his reactions to the killings and his participation in an architectural contest to design a memorial to the casualties His book does not purport to be an examination of the incident itself and thus is not likely to be useful to readers attempting to understand what happened and why Because of its focus idiosyncratic style and impressionistic approach the book's limited audience is more likely to be readers interested in the creative process as it relates to landscape architectural design Gordon's book is a clearly written well documented account of the killings the subsequent investigations and the criminal and civil trials that followed While Gordon does not uncover sufficient evidence to justify a new explanation of the event he is able to cast doubts on the theories Peter Davies presented in *The Truth About Kent State A Challenge to the American Conscience* LJ 9 15 73 Gordon's work serves as a good starting point for general readers and scholars seeking to learn more about this tragic affair Thomas H Ferrell Univ of Southwestern Louisiana Lafayette *Library Journal*
