The Landis Record is a history of the Landis district, published by the Landis committee. It is a comprehensive record of the district's history, from its early days to the present. The book is divided into several sections, each covering a different aspect of the district's history. The first section is a general history of the district, followed by a section on the district's geography. The third section is a history of the district's people, and the fourth section is a history of the district's industry. The book is a valuable resource for anyone interested in the history of the Landis district.
