The Lure Of Dim Trails:

The Lure of the Dim Trails B. M. Bower, 2022-06-10 This is an interesting twist on a Western where an author returns to the land where he was born to get some local flavor for his novels. He gets much more than he expected going on long trail rides and nearly freezing the end of his nose off in the winter shacks. Something it couldn't possibly be the beautiful Mona could it? It keeps him on the range all year. Goodreads

The Lure

of the Dim Trails (Classic Reprint) B. M. Bower, 2018-11-21 Excerpt from *The Lure of the Dim Trails* Perhaps it is what I mean is write what the public wants since you don't relish failure. Why don't you do things about the plains. It ought to be easy and you were born out there somewhere. It should come natural. I have Thurston sighed. My last rejection states that the local color is weak and unconvincing. Hang the local color. The foot rest suffered again. B. M. Bower, 2016-06-05 *The Lure Of The Dim Trails* Bertha Muzzy Bower (B. M. Sinclair), 2019-07-26 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve, and recreate the original content, we have worked towards: 1. Type setting: Reformatting the complete work has been re-designed via professional layout, formatting, and type setting tools to re-create the same edition with rich typography, graphics, high-quality images, and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition as opposed to other scanned printed Optical Character Recognition (OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content pages, and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work. We believe that this work holds historical, cultural, and/or intellectual importance in the literary works community; therefore, despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content.
