The Magic Journey:

The Magic Journey John Nichols, 2013-12-10 Spanning forty years the second book in John Nichols's New Mexico trilogy. The Magic Journey tells the tale of how relentless progress transformed a rural backwater into a boomtown. Boom times came to the forgotten little southwestern town of Chamisaville just as the rest of America was in the Great Depression. They came when a rattletrap bus loaded with stolen dynamite blew sky high leaving behind a giant gushing hot spring. Within minutes the town's wheeler dealers had organized and within a year Chamisaville was flooded with tourists and pilgrims and the wheeler dealers were rich. At first it was a magic time for Chamisaville almost as if every day were a holiday. But the euphoria gradually dissipated and the land hungry developers, speculators and interlopers moved in. Finally the day came when Chamisaville's people found themselves all but displaced, their children no longer heirs to their land or their tradition. With mounting intensity *The Magic Journey* reaches a climax that is tragically foreordained. A sensitive, vital and honest chronicle of life in America's Southwest, it is also an incisive commentary on what America has become on its road to progress. *The Magic Journey* is part of John Nichols's New Mexico trilogy which includes *The Milagro Beanfield War* and *The Nirvana Blues*.

These dreams turn into her favorite secret a beautiful world she loves Dreamland's magic starts to fade away one day leaving the once bright colors dull and the magical creatures dull Dreamland's guardian Cygnus calls on Barbie to protect this magical paradise The magic of Dreamland comes from the three Dream Crystals that are lost It is her job to find them Barbie starts her trip with a purse full of stardust and an unknown map She goes on a journey through the Whispering Woods where the trees tell her secrets To find the Dream Crystals that are hidden there she has to answer puzzles Barbie will have to show how brave and dedicated she is when she jumps into the Enchanted Lake to find the last crystal She faces her biggest fears and gives the stones back to Cygnus protecting Dreamland's magic and making sure it will live on When Barbie goes back to her quiet small town she grows into a kind and inspiring person Kids and adults alike are inspired by her adventures in Dreamland and how she lives out these ideals to enjoy the beauty of dreams and grow the traits of bravery kindness and curiosity At the end of the story Barbie is still Dreamland's keeper She watches over its wonders and makes sure that people will love them for many more years She closes her eyes and dreams of Dreamland all the time because she knows that the fun things she did there will always be a part of her Barbie's Magical Adventure in Dreamland shows how powerful dreams kindness and bravery can be It reminds us that the world is full of amazing things just waiting to be found by people who believe and that the keys to amazing experiences and lasting memories are inside our hearts

Story Begins Barbie was a little girl who lived in a cute little town People knew her for having beautiful golden hair bright blue eyes and a kind heart Barbie stood out among the simple homes and friendly neighbors in the town as a symbol of modesty and purity Barbie had golden hair that fell down her back in waves that sparkled like a river of light As the light caught on her and turned into a beautiful halo she looked like a living breathing sign of hope Her bright blue eyes sparkled with interest like two sapphires watching over the secrets of the world But what made Barbie different from the other kids in town was her heart She had a giving heart that touched everyone she met She could make anyone feel special and better even on the worst days with her kind words and warm smile It was Barbie's job to show that even in a world that seemed rude and rushed good manners could still win The one thing that made Barbie different though was something that not many people knew about her she could go to Dreamland a magical world that appeared only in her dreams The hamlet would go to sleep every night and Barbie's travels would begin Dreamland was a place where dream rules did not apply It stretched out in front of her like a beautiful tapestry in her thoughts It was a world where the trees whispered secrets and the animals spoke in riddles and wisecracks The sky was purple and turquoise In Dreamland Barbie can be anyone and go anywhere It's a place where anything is possible and where the soul can find comfort Her adventures at night were amazing She would soar through the sky on a shiny dragon feeling the rush of freedom in her blood as the wind pulled her hair back She would have tea parties with rabbits that could talk The rabbits laughter would sound like a happy symphony in a field of brightly colored flowers She liked to wander around in beautiful forests where streams sang lullabies to long lost hopes and trees whispered stories of past adventures

Barbie on the other hand found the animals in Dreamland to be very interesting There was Lumina a pretty fairy whose wings sparkled like stars at dusk She would teach Barbie about the night sky by telling her stories about constellations and the music that the stars played Nimbus a sneaky cloud fairy who can change shape at will came next Nimbus could change into a dolphin to explore the depths of the dream seas or a kite to take Barbie high above the clouds Barbie and Nimbus would go on exciting adventures together She made new friends every night and each one was more creative than the last She laughed with kind giants whose hearts were as big as the sky danced with fire sprites whose bright flames lit up the night sky and talked with wise old owls who taught her ancient secrets The Magic Journey, Etc Dora Broome,1960 *CHILDHOOD*
