The Magog Invasion:

The Magog Invasion Chuck Missler, 1995 A nuclear confrontation in the Middle East is not just likely it is certain It is just a matter of timing Robert Hunter U S Ambassador to NATO Brussels **War on Terror** Grant R. Jeffrey, 2010-03-24 The World Changed Forever on September 11 2001 Best selling author Grant R Jeffrey explores the motives and plans of the Islamic terrorists that declared war on America War on Terror examines the truth behind the headlines about this vital struggle that affects all of us Learn how the American led alliance will use our powerful intelligence and military forces to destroy the thousands of terrorists as well as the governments of Iraq Sudan and Yemen that support terrorism Key features include Compelling evidence Iraq is behind Bin Laden s attacks on America The war on terror against Iraq was prophesied by Jeremiah 2500 years ago The nations that support Islamic terror Why Islamic terrorists hate America Israel and Arab governments How America will defeat the global threat from Islamic terrorists The Taliban the Pashtun tribe and the Ten Lost Tribes Terror attacks on Israel America s key strategic ally in the Middle East Russia s Strategic Goal to turn the coalition against Israel New surveillance and counter terrorism technology and world government The need for security versus our privacy and freedom Nowmillennial Dispensationalism Steve Urick, 2009-09-28 The topic of the millennial kingdom of Christ though not as crucial as some Bible doctrines is nevertheless an important teaching that affects many Scripture passages Nowmillennial Dispensationalism a new term coined by the author takes a fresh look at and gives clear answers to the millennial controversy that has many students of Bible prophecy confused and or divided today This work is the result of much discussion Bible study and careful comparison of the various millennial views with an objective evaluation of each side In the end the reader will be left to choose between only two possible views Premillennialism and Nowmillennialism Narrative of the Last Days Theodosius Katzir, 2015-05-28 The chronology of prophetic events is detailed here in a manner that has never been outlined before The events unfold one after another just as they are written in the Bible The books of Daniel and Revelation and passages from Ezekiel Isaiah Jeremiah Zechariah Matthew and Pauls epistles fit in to make the end time scenario very vivid The timelines show what is about to happen You will find the answers to questions such as When is the rapture of the Church and the Second Coming of Jesus Christ What connection has the current rise of terrorism with the last days Is America in prophecy Then you will read in detail the coming Gog s war against Israel and how GOD defends his chosen people You will know the identity of the revived Roman Empire and find a new interpretation of the Great Tribulation And finally you will feel the drama of the return of Jesus King of kings and Lord of lords **Romanism at War with Governments** Henry McKinney, 1886 Prophecy 20/20 Chuck Missler, 2006-08-27 Dr Chuck Missler s Prophecy 20/20 is a comprehensive easily digested book that will give you a basic understanding of how past events fulfilled biblical prophecy It provides a strategic grasp of prophecy that equips you to clearly see the prophetic moment of current events Chuck Missler founder of Koinonia House analyzes trends on the geopolitical and technological

horizons as well as their implications for the coming years **Behold a Red Horse** Chuck Missler,2023-01-10 What does the Bible say about wars How can the classic literature of centuries ago impact today s and tomorrow s tactics and strategies Which technologies are predicted in the Bible Which ones have yet to be witnessed In what ways have the economies of scale in violence been reversed What is the threat assessment and risk analysis pending today In what ways can a country be regarded as a one bomb target What are the likely implications of trans humanism in the quests for the Super Soldier How could electromagnetic pulses emerge to become the Great Equalizer Where is the safest place to be Dr Chuck Missler an honor graduate of the U S Naval Academy at Annapolis with an international background including three decade s experience in the board rooms of the defense industry reviews the major Biblical references to warfare the trends in modern weapons technology and some of the current preparations for war among the major powers **The Good Friday Myth**

Cecil W. Davies,2005-06-23 This is one Bible study you wont want to miss It shows when the Crucifixion really occurred and how to confirm that from the Old Testament alone Fresh insights reveal previously unrecognized parallels between the Crucifixion and modern history that illustrate how the Crucifixion timeline is a key to understanding end times prophecy Recognizing our place in the procession of last day events will enable those who already know the Lord as their savior to become more efficient in their Christian service Twelve previously unrecognized patterns illustrate where we are in that schedule of last day events Even if you disagree with the positions presented these are issues you need to have answers for

Rushing Ahead to Armageddon Christopher M. Jones,2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38 39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular interpretation of Ezekiel 38 39 in light of the Bible Author s Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time
