The Mark Of Cain is a brand which was placed upon Cain by the Angel Lucifer.

The Mark, when used in conjunction with the First Blade, turns the bearer into a Murderer.

The Mark Of Cain:

   The Mark of Cain Ruth Mellinkoff,1981 For few verses in the Bible is the relationship between scripture and the artistic imagination more intriguing than for the conclusion of Genesis 4 15 And the Lord set a mark upon Cain that whosoever found him should not kill him What was the mark of Cain The answers set before us in this sensitive study by art historian Ruth Mellinkoff are sometimes poignant frequently surprising An early summary of rabbinic answers for examples runs as follows R Judah said He caused the orb of the sun to shine on his account Said R Nehemiah to him For that wretch He would cause the orb of the sun to shine Rather he caused leprosy to break out on him Rab said He gave him a dog Abba Jose said He made a horn grow out of him Rab said He made him an example to murderers R Hanin said He made him an example to penitents R Levi said in the name of R Simeon b Lakish He suspended judgment until the flood came and swept him away After a review of such early Jewish and Christian exegesis Mellinkoff divides physical interpretations on the mark into three groups A Mark on Cain s Body A Movement of Cain s Body and A Blemish Associated with Cain s Body Her discussion of these groups is the heart of her study and offers its richest examples of interplay among medieval art and imaginative literature on the one hand and biblical exegesis on the other Thus in one remarkable tour de force she shows us how a poetic misprision of Genesis 4 24 Sevenfold vengeance will be taken for Cain but for Lamech seventy times sevenfold made Lamech the murderer of Cain how there then grew up the legend that Lamech a hunter had killed Cain when he mistook him for an animal how from that the notion that the mark of Cain was a horn or horns on Cain s head arose in the poignant formulation of the Tanhuma Midrash Oh father you have killed something that resembles a man except it has a horn on its forehead and how from that in the maturity of the legend there flowered Cornish drama Irish saga and stunning reliefs of a dying antlered Cain in the cathedrals of Vezelay and Autun Like Genesis 4 15 itself The Mark of Cain is suggestive rather than comprehensive Concluding chapters on Intentionally Distorted Interpretations of Cain s Mark and Cain s Mark and the Jews bring the history down to our own day but Mellinkoff does not claim to have said the last word on the subject Her achievement is neither documentary nor exegetical but rather demonstrative she shows us with brilliant economy how the artistic imagination functioned in a world whose intellectual definition was a closed canonical text   Commonly Misunderstood Verses of the Bible Robert E. Van Voorst,2017-07-31 Do you believe that God wants you to be financially prosperous Joshua 1 8 Do you think that Christians must forgive and forget Jeremiah 31 34 Do you suppose that everything will work for your good Romans 8 28 or wonder if God will ever give you more than you can bear 1 Corinthians 10 13 If you do best selling author Robert Van Voorst will help you to reexamine these verses and many others to see what they really mean This book treats twenty four of the most misunderstood verses in the Bible Each is given concise but careful treatment including an explanation of how they are misunderstood what their meaning is and what this meaning says to us today Each chapter has questions for reflection and discussion Written especially for use in church classes and Bible study groups but also suitable for individual reading this
