The New Borzoi Of Ballets:

The New Borzoi Book of Ballets Rosalyn Krokover, 1956 **The Joffrey Ballet** Sasha Anawalt, 1998-01-19 This is a comprehensive history of the American dance troupe the Joffrey Ballet and a portrait of Robert Joffrey the creative personality who inspired it Written in anecdotal style the book probes the complex relationship which exists between a culture and its artists **Ballet 101** Robert Greskovic, 2005-11 Presents a look at the world of dance an analysis of ballet movement music and history a close up look at popular ballets and a host of performance tips **Van hofballet tot postmoderne dans** Luuk Utrecht, 2020-09-05 De Nederlandse danskunst staat in binnen en buitenland hoog aangeschreven Dat is te danken aan het vooruitstrevende werk van choreografen als Rudi van Dantzig Hans van Manen en Toer van Schayk Om het belang van hun creaties beter te begrijpen is kennis van de westerse dansgeschiedenis onontbeerlijk Het boek Van hofballet tot postmoderne dans voorziet hierin op uitstekende wijze Het behandelt uitvoerig de verschillende stijlen per land in de loop van de geschiedenis Bovendien gaat het in op de werkwijze van choreografen en hun visie op deze bijzondere kunstvorm Danscriticus en historicus Luuk Utrecht 1940 2004 schreef dit danshistorisch overzicht als studieboek voor zijn studenten theaterwetenschap en tegelijk als naslagwerk voor elke Nederlandse dansliefhebber Het is een inleiding in de geschiedenis van ballet en moderne dans beginnend met het 16de eeuwse hofballet en eindigend met de postmoderne dans van de late 20ste eeuw Hierbij gaat het vooral om de artistieke ontwikkelingsgeschiedenis de manier waarop individuele choreografen omgingen met soorten lichaamshoudingen en bewegingen om een dansstuk te creëren Dit standaardwerk geeft inzicht in de verschillende artistieke uitgangspunten en doelstellingen die choreografen en danstheoretici door de tijd heen verdedigden en die kenmerkend zijn voor bepaalde belangrijk geachte stijlen of stromingen Het boek is helder geschreven en geïllustreerd met vele zwart wit foto's Todd Bolender, Janet Reed, and the Making of American Ballet Martha Ullman West, 2021-05-18 Martha Ullman West illustrates how American ballet developed over the course of the twentieth century from an aesthetic originating in the courts of Europe into a stylistically diverse expression of a democratic culture West places at center stage two artists who were instrumental to this story Todd Bolender and Janet Reed Lifelong friends Bolender 1914 2006 and Reed 1916 2000 were part of a generation of dancers who navigated the Great Depression World War II and the vibrant cultural scene of postwar New York City They danced in the works of choreographers Lew and Willam Christensen Eugene Loring Agnes de Mille Catherine Littlefield Ruthanna Boris and others who West argues were just as responsible for the direction of American ballet as the legendary George Balanchine and Jerome Robbins The stories of Bolender Reed and their contemporaries also demonstrate that the flowering of American ballet was not simply a New York phenomenon West includes little known details about how Bolender and Reed laid the foundations for Seattle's Pacific Northwest Ballet in the 1970s and how Bolender transformed the Kansas City Ballet into a highly respected professional company soon after Passionate in their desire to dance and create dances Bolender and Reed committed their lives to passing

along their hard won knowledge training and work This book celebrates two unsung trailblazers who were pivotal to the establishment of ballet in America from one coast to the other **Frederic Franklin** Leslie Norton, Frederic Franklin, 2007-07-19 With a ballet career spanning well over eight decades legendary dancer Frederic Franklin was one of the twentieth century's great ballet stars This biography rich with original interviews covers his entire career from young dance student in the early 1920s to his most recent position as choreographer with Britain's Royal Ballet in November 2004 Each chapter covers a different period of Franklin's life including the peak of his performing career as a principal dancer with the Ballet Russe de Monte Carlo his legendary professional partnership with Alexandra Danilova and his role in introducing ballet to millions of Americans during World War II **The Shapes of Change** Marcia B. Siegel, 1985-05-17 What is strikingly new about Miss Siegel's achievement is that she goes beyond the usual kind of historical reassessment She performs on behalf of this most evanescent of the arts an act of significant recovery By tracking down often in rare stage revivals on film or on videotape as many of the works by major creators of the last half century as survive and by describing them in a manner that combines accuracy and imagination she has enriched our knowledge of the past and added immeasurably to our present stock of critical resources Dale Harris New York Times Book Review Siegel has a gut feeling for dance and a razor sharp intelligence about it It's an irresistible combination Margaret Pierpont Dance Magazine After you've seen and felt dance this deeply even vicariously your way of looking at dance will never be the same William Albright Houston Post She sees acutely with her muscles as well as her eyes She thinks about dance as much as she experiences it This is dance choreography reconstituted Dances leap off the page The ability to do that is extraordinary Jean Bunke Des Moines Sunday Register The sections in which she describes the dances themselves make up the bulk of the book and they are profoundly illuminating These descriptions represent an amazing literary as well as critical accomplishment for they are both accurate and resonant both objective and enlightening both formal and personal Laura Shapiro The Real Paper Siegel draws on her years of experience as a working dance critic a profession she has helped to shape and brings to a range of American dance a sense of honesty and a mind that wants to understand the antecedents of what is currently in vogue as the dance explosion Iris M Fanger The Christian Science Monitor **The Ballets Russes** Vicente García-Márquez, 1990 *The Dance Photography of Carl Van Vechten* Carl Van Vechten, 1981 **New York Times Saturday Review of Books and Art**, 1973 **History of the Dance in Art and Education** Richard G. Kraus, Sarah Chapman Hilsendager, 1991 One of the most striking aspects of the cultural scene in the United States today has been the rapid growth of dance both as a performing art and as a form of creative education This book depicts that growth in detail and presents an accurate picture of dance in American culture today This book examines the history and current status of dance as a performing art and also its other important functions in society Performers seeking to explore and learn more about their art Also a good tool for educators seeking to incorporate dance in their curriculum **Films on Ballet and Modern Dance** John E. Mueller, 1974
