The Boyds Of Black River A Family Chronicle New York Classics:

The Mohawk Codman Hislop,1989-10-01 Hislop writes living history Father Jogues is there as are Sir William Johnson and Molly Brant Nicholas Herkimer DeWitt Clinton Eliphalet Nott the Remingtons Charles Steinmetz and a host of others Fur trading land grabbing Dutch Palatines Yankees the Battle of Oriskany the Erie Canal the Mohawk and Hudson Railroad General Electric are all part of the story of The Mohawk Hislop s presentation of this unique region is both informative and compelling *In the Hands of the Senecas* Walter D. Edmonds,1995-12-01 These stories tell how the Indians captured pioneer women on the warring frontier in revolutionary New York how the rigours of frontier life affected the women and how in many cases they were equal to the situation The book is organised as a series of loosely related narratives *The Best Adirondack Stories of Philander Deming* Philander Deming,1997-03-01 In simple darkly faceted stories Philander Deming writes as a person whose childhood knowledge of the Adirondacks has been honed to a fine sense for its potential human tragedy In this the first collection of his best work a haunting vision of the Adirondacks comes through that is hard to forget Deming s themes revolve around deception and self deception loneliness and good intentions gone awry Most of his stories occur just before or after the Civil War In almost every story however Deming shows his characters looking back towards the mountains from the Mohawk or St Lawrence Valley or from lonely settlements on the edge of the forest or across Lake Champlain Few Adirondack writers have been so convincing in conveying the keen isolation of life in the northern forest and its peculiar effects on the human mind The wilderness community is cruel fostered by ignorance and isolation In the end the mountains seemingly a neutral back drop against which individuals confront a collective morality are the real source of his inspiration *Mostly Canallers* Walter D. Edmonds,1987-06-01 Edmund Wilson felt this collection of twenty four stories originally published in 1934 contains some of Walter Edmonds best work The Atlantic Monthly wrote that Upstate New York has provided Edmonds with an inexhaustible store of characters one would like to know A number of the stories were award winning and appeared in such collections as Best Stories of 1929 and The O Henry Memorial Award Prize Stories Black Wolf The End of the Towpath Death of Red Peril these and others faithfully depict an era and region for which Edmonds became chief literary spokesman Episodic and anecdotal they catch in various ways something of the nuances of real life as it was in the days when the Erie Canal offered a passage west for many travelers and settlers and a livelihood for many more *A Vanished World* Anne Gertrude Sneller,1994-08-01 A Vanished World is an elegant and exquisite personal portrait of a rural turn of the century childhood from a young girl s perspective But Anne Sneller s vanished world is not just the small world she knew as a child it is the world of the old rural America a peaceful world of family farms quiet country roads and small towns which stretched from New England to the West Coast from Minnesota to Texas **Bert Breen's Barn** Walter D. Edmonds,1991-06-01 Tom Dolan is an impoverished youth who lives in upstate New York with his mother and two sisters Set in the early part of this century the story concerns young Tom s fascination with Bert Breen s barn a huge structure that

looms on the landscape long ago deserted and uninhabited and the mystery of Bert Breen's treasure a large sum of money rumored to have been buried on the barn grounds Tom gets the idea into his head that he would like to buy the barn some day and move it down to his own family's land some seven miles away The story builds to an exciting conclusion with the reconstruction of the entire barn and a sudden and unexpected answer to young Tom's dreams *Upstate* Edmund Wilson, 1990 *Upstate* Edmund Wilson's history and memories of twenty years in the Old Stone House in Talcottville New York was perhaps his most warmly received book It is an account of a region and its people a social and personal history that seems sure to become a classic worthy of the extraordinary praise it received **Mount Allegro** Jerre Mangione, 1998-03-01 *Mount Allegro* is an extraordinary memoir a celebration of Sicilian life an engaging sociological portrait a moving reminiscence of a fledgling writer's escape from the restrictive culture in which he grew up Jerre Mangione's autobiographical chronicle of his youth in a Sicilian community in Rochester is one of the truly enduring books about the immigrant experience in this country Family squabbles soul nourishing food and the casting of evil eyes are only some of the ingredients of this richly textured book although they must all take second place to its unforgettable characters As Eugene Paul Nassar writes in the book's Foreword *Mount Allegro* gave a literary visibility and identity amiable and appealing to a poorly understood ethnic group in America and did so at a very high level of artistry *The New York Genealogical and Biographical Record*, 1869 **The Publishers Weekly**, 1916 **New York Genealogical and Bibliographical Record Devoted to the Interests of American Genealogy and Biography** New York Genealogical and Biographical Society, 1869 **Current Books** National Association of Independent Schools, 1949 **The Book Buyer's Guide**, 1953 *The Retail Bookseller*, 1953 **Bowker's Guide to Characters in Fiction 2007**, 2008-02 National Genealogical Society ... Conference in the States National Genealogical Society. Conference in the States, 2006 New York History New York State Historical Association, 1991 **Proceedings of the New York State Historical Association with the Quarterly Journal** New York State Historical Association, 1991 *The Publishers' Trade List Annual*, 1954 Catholic World, 1953
