The Breeze And The Rebel:

The Breeze and the Rebel Doris Horender Masi, 1996-01-01 *The Rebel's Return* Nadine Gonzalez, 2022-02-22 Is love at first sight really for suckers A hotshot hotelier returns home to find out in this Texas Cattleman s Club Fathers and Sons novel by Nadine Gonzalez An asset to his business Or a danger to his heart Only moments after a mysterious outsider catches hotelier Rafael Wentworth s eye at the Texas Cattleman s Club he saves her from catastrophe Their subsequent steamy night together leaves the recently returned black sheep of Royal s illustrious Wentworth family craving more In town to find her nephew s father Eve Martin needs a job and Rafael is only too glad to help and indulge their hotter than Texas chemistry But Eve s priorities are clear and the perennial playboy has no plans to settle down Maybe ever Is he playing with fire Definitely From Harlequin Desire A luxurious world of bold encounters and sizzling chemistry Love triumphs in these uplifting romances part of the Texas Cattleman s Club Fathers and Sons series Book 1 An Heir of His Own by Janice Maynard Book 2 How to Handle a Heartbreaker by Joss Wood Book 3 Married by Contract by Yvonne Lindsay Book 4 From Feuding to Falling by Jules Bennett Book 5 The Rebel s Return by Nadine Gonzalez Book 6 The Rancher s Reckoning by Joanne Rock **A Rebel's Desire** Aileen Adams, Some secrets are hard to keep Jake promised Heather MacDonald he d keep her secret He d help her train to be a warrior and all she had to do was give him a kiss He didn t promise that she wouldn t feel the stirrings of desire for this former soldier For Heather a woman determined to become a warrior Jake s promise means the difference between life and death Wounded at war then the target of a malicious healer Jake Duncan brother of the Highland Laird has decided he has to prove himself over and over again He never thought that part of his journey would involve falling for the woman from the Lowlands who wasn t as demure or as shy as he originally thought especially not when she was wielding a dirk *The Desire Collection February 2022: The Rebel's Return (Texas Cattleman's Club: Fathers and Sons) / Secrets of a Bad Reputation / Husband in Name Only / Ever After Exes* Nadine Gonzalez, Joss Wood, Barbara Dunlop, Susannah Erwin, 2022-02-03 Red Hot Romances from Mills Boon **A Rebel's Recollections** George Cary Eggleston, It was a very beautiful and enjoyable life that the Virginians led in that ancient time for it certainly seems ages ago before the war came to turn ideas upside down and convert the picturesque commonwealth into a commonplace modern state It was a soft dreamy deliciously quiet life a life of repose an old life with all its sharp corners and rough surfaces long ago worn round and smooth Everything fitted everything else and every point in it was so well settled as to leave no work of improvement for anybody to do The Virginians were satisfied with things as they were and if there were reformers born among them they went elsewhere to work changes Society in the Old Dominion was like a well rolled and closely packed gravel walk in which each pebble has found precisely the place it fits best There was no giving way under one s feet no uncomfortable grinding of loose materials as one walked about over the firm and long used ways of the Virginian social life Let me hasten to say that I do not altogether approve of that life by any means That would be flat blasphemy against the god Progress and I have no stomach for

martyrdom even of our modern fireless sort I frankly admit in the outset therefore that the Virginians of that old time between which and the present there is so great a gulf fixed were idle people I am aware that they were when I lived among them extravagant for the most part and in debt altogether It were useless to deny that they habitually violated all the wise precepts laid down in the published writings of Poor Richard and set at naught the whole gospel of thrift But their way of living was nevertheless a very agreeable one to share or to contemplate the more because there was nothing else like it anywhere in the land A whole community with as nearly as possible nothing to do is apt to develop a considerable genius for enjoyment and the Virginians during somewhat more than two centuries of earnest and united effort in that direction had partly discovered and partly created both a science and an art of pleasant living Add to idleness and freedom from business cares a climate so perfect that existence itself is a luxury within their borders and we shall find no room for wonder that these people learned how to enjoy themselves What they learned in this regard they remembered too Habits and customs once found good were retained I will not say carefully for that would imply effort and the Virginians avoided effort always but tenaciously The Virginians were born conservatives constitutionally opposed to change They loved the old because it was old and disliked the new if for no better reason because it was new for newness and rawness were well nigh the same in their eyes
