Directory NA NA,2016-03-05 **Remembered Reading** Mel Gibson,2015-06-30 A reader's history exploring the forgotten genre of girls comics. Girls comics were a major genre from the 1950s onwards in Britain. The most popular titles sold between 800 000 and a million copies a week. However this genre was slowly replaced by magazines which now dominate publishing for girls. *Remembered Reading* is a reader's history which explores the genre and memories of those comics looking at how and why this rich history has been forgotten. The research is based around both analysis of what the titles contained and interviews with women about their childhood comic reading. In addition it also looks at the other comic books that British girls engaged with including humour comics and superhero titles. In doing so it looks at intersections of class, girlhood and genre and puts comic reading into historical, cultural and educational context. Dictionary of British Comic Artists, Writers and Editors Alan Clark,1998 Alan Clark, a leading historian and collector of comics, has been in the forefront of research in this field and in the quest for factual information over the last twenty-five years he has been pursuing artists and editors or their heirs while persuading publishers to open up their archives. The compiler is also grateful for the fact that he had the work of other diligent researchers and collectors to draw upon. The result is this pioneering biographical dictionary covering the period from 1867 to 1997 in which the cloak of anonymity is stripped from hundreds of pen and ink men. The dictionary entries describe in succinct detail the professional lives and careers of their subjects together with the characters they created and the publications for which they worked. The author hopes and intends that the information will be used as a basis for further research. The Oxford Companion to Fairy Tales Jack Zipes,2015 This Oxford companion provides an authoritative reference source for fairy tales exploring the tales themselves both ancient and modern, the writers who wrote and reworked them and related topics such as film, art, opera and even advertising. **The Reprint Bulletin**,1976 *The Nineteenth-century Periodical Press in Britain* Lionel Madden,Diana Dixon,1992 Foreign Acquisitions Newsletter,1975 Grogan's Case Studies in Reference Work Denis Joseph Grogan,1987 Reference Quarterly,1976

The Publishers' Trade List Annual,1985 **Art Libraries Journal**,1979 **The World Encyclopedia of Comics** Maurice Horn,1977 This book should prove an invaluable reference tool for the researcher and an endless source of entertainment for the general reader. To scholars and laymen alike it proves to be indispensable. **Whitaker's Cumulative Book List**,1975 **Library of Congress Catalogs** Library of Congress,1977 Index to British Literary Bibliography: British literary bibliography, 1970-1979, a bibliography Trevor Howard Howard-Hill,1992
