Veep meets Agatha Christie in this intelligent wildly funny literary mystery for fans of Richard Osman Anthony Horowitz and Nita Prose The host of the All About Agatha podcast injects the spark and fizz of a Golden Age murder mystery into the present day as a ghostwriter is chosen to collaborate on a presidential candidate's memoir only to discover just how much trouble a smart woman with time on her hands can get up to A delight from start to finish If you like Agatha Christie you'll love this Alex Michaelides 1 New York Times bestselling author of *The Silent Patient* I tell other people's stories for a living I nip and tuck their excesses soften their hard edges polish whatever an armada of editors and publicists deem unsightly till it sparkles It's a dream assignment Former Senator Dorothy Gibson aka that woman is the most talked about person in the country right now though largely for the wrong reasons As an independent candidate for President of the United States Dorothy split the vote and is being blamed for the shocking result After her very public defeat she's retreated to her home in rural Maine inviting her ghostwriter to join her Her collaborator is impressed by Dorothy's work ethic and steel trap mind not to mention the stunning surroundings and one particularly gorgeous bodyguard But when a neighbor dies under suspicious circumstances Dorothy is determined to find the killer in their midst And when Dorothy Gibson asks if you want to team up for a top secret possibly dangerous murder investigation the only answer is Of course The best ghostwriters are adept at asking questions and spinning stories two talents it turns out that also come in handy for sleuths Dorothy's political career meanwhile has made her an expert at recognizing lies and double dealing Working together the two women are soon untangling motives and whittling down suspects to the exasperation of local police But this investigation much like the election may not unfold the way anyone expects Kemper Donovan's voice is original captivating and assured Taylor Jenkins Reid bestselling author of *Daisy Jones and the Six*      The busy body Susannah Centlivre, 1967      *The Busybody* Susanna Centlivre, 2022-02-23

The Busybody is the most popular comedy by the eighteenth century playwright Susanna Centlivre The play centres on two couples trying to form a relationship against the wills of their guardians and in a battle of wits playing with many conventions from theatre traditions across the continent a conclusion is eventually reached Like her predecessor Aphra Behn Centlivre was immensely successful in her day drawing huge crowds to extended runs of her numerous plays but the stabbing male pens of the nineteenth and twentieth centuries decried her work as being louche and dangerous and her name slowly sunk into obscurity This edition published with William Hazlitt's prefatory note and extra material on Centlivre's life and writing seeks to highlight the dexterity with which she took on the stage Acted a thousand times in town and country giving delight to the old the young and the middle aged William Hazlitt      **The Busy Body** Susanna Centlivre, 2015-07-08
