levels of the United States Government to unleash a massive manhunt Joe Knox is leading the charge but his superiors aren't telling him everything there is to know about his quarry and their hidden agendas are just as dangerous as the killer he's trying to catch. Meanwhile with their friend and unofficial leader in hiding the members of the Camel Club must fend for themselves even as they try to protect him. As Knox closes in Stone's flight from the demons of his past will take him far from Washington D C to the coal mining town of Devine Virginia and headlong into a confrontation every bit as lethal as the one he is trying to escape.
