The Canonization Of The Synagogue Service:

The Canonization of the Synagogue Service Lawrence A. Hoffman, 1979 Lawrence A Hoffman's inquiry into the reasons for the canonization of the Jewish style synagogue service between the eighth and eleventh centuries presents a novel reinterpretation of the available evidence that will have repercussions for studies of Jewish and Christian liturgy. The author suggests that Babylonian Jewish authorities attempted to fix Jewish liturgy during the height of the geonic period c 750-1025 A.D. in response to changing social and economic conditions and that this period customarily considered as a whole should be divided instead into three distinct eras. Because the changing attitude toward liturgical canonization during this period reflects the Jewish community's self perception and its view of other groups with whom it dealt Professor Hoffman's findings cast fresh light on such important matters as the Karaite schism and the condition of the medieval Palestinian community. In addition many of the ancient liturgical alternatives discussed provide essential background for studies of both Jewish and Christian liturgies of antiquity. To enhance usefulness of the book for nonexperts this volume contains a glossary of liturgical terms and rubrics introductory surveys of the history of the prayers discussed and full biography and notes for further reading

Canonization Synagogue Service Lawrence Hoffman, 1979-11-30 *Jewish Liturgy as a Spiritual System* Arnold Rosenberg, 2000-06-30 Readers of this book will emerge with a new awareness of what we as Jews are doing when we pray why we are doing it how we are supposed to be affected by prayer how the prayers came to be as they are today and how they differ among the major movements of American Judaism. The traditional Jewish liturgy if properly understood is a deep and powerful technique for spiritual transformation. However spiritual depth of prayer has been progressively reduced over the past 2000 years as the underlying currents of the Siddur the Jewish prayerbook have been lost to the majority of worshippers. This book explains the Jewish liturgy prayer by prayer according to what in the context of ancient and medieval Judaism was its *raison d'être* a structure for transforming one's mind and way of life. The author writes The crisis Judaism now faces while genuine is due not to a lack of depth in the traditional Jewish prayer service but to a profound and almost universal lack of understanding of that prayer service that pervades all segments of the Jewish community. Jewish prayer services in many contemporary synagogues lack spiritual fervor because the linkage between word and ritual on the one hand and mental transformation on the other that would generate such fervor is not generally known to Jewish adults and is not taught to Jewish children. Unfortunately the prayer service regularly degenerates into a race through words and gestures divorced from the sequence of mental states and visualizations through which these words and gestures were intended to lead us. This book was written to reunite the activity and language of prayer with its original transformative goal by educating worshippers about what is at the heart of the siddur. Several chapters provide an overview of the Jewish prayer service and its spiritual flow. These chapters explain the visualizations allusions and meditative techniques that form the heart of the service and the altered states of consciousness through which the service can move the worshipper as well as a synopsis of

the history of Jewish liturgy and its study In addition each major prayer is analyzed in its order of appearance according to how it fits into the structure and flow of the liturgy as a vehicle for transforming the mind The book may be used as a companion to the Siddur because the prayer sequence is matched to the corresponding page numbers in all of the most widely used Siddurim in the United States Also included is a chart of the morning service for weekdays and Shabbat that graphically illustrates not only the structure and history of the prayers but also the sequence of mind states to which they correspond *Patterns of Daily Prayer in Second Temple Period Judaism* Jeremy Penner,2012-11-09 In Patterns of Daily Prayer in Second Temple Period Judaism Jeremy Penner provides an account of how daily prayer became entrenched within early Jewish religious traditions *Song and Story in Biblical Narrative* Steven Weitzman,1997-10-22 a book which asks and answers a new interesting question using a rich range of biblical and humanistic methodologies *Journal of Biblical Literature* This book examines a literary form within the Bible that has slipped through the cracks of modern scholarship the mixing of song and story in biblical narrative Journeying from ancient Egyptian battle accounts to Aramaic wisdom texts to early retellings of biblical tales in the Dead Sea Scrolls Jewish Hellenistic literature and rabbinic midrash Steven Weitzman follows the history of this form from its origins as a congeries of different literary behaviors to its emergence as a self conscious literary convention *The Canonization of the Synagogue Service* L.A. Hoffman,1979 **Foundations of Christian Music** Edward Foley,2020-07-09 In the study of Christian liturgical music the first three centuries of the Christian era are foundational Seldom however does this period receive serious attention from scholars One of the reasons for this oversight is the fluid auditory environment of this period and the inadequacy of the Western concept of music to describe this environment Foundations of Christian Music addresses this lacuna by exploring the auditory environment of first century CE Judaism and emerging Christianity until the time of Constantine d 337 Through a consideration of the text styles forms performance and settings of Jewish and early Christian worship Foundations offers an unusually rich perspective on the lyrical nature of emerging Christian worship *Liturgy in the Life of the Synagogue* Ruth Langer,Steven Fine,2005 From the ancient rabbis to medieval Ashkenaz from North Africa to Syria from the United States to modern Israel the articles collected in Liturgy in the Life of the Synagogue reflect the diversity of approaches and the questions that modern scholars residing in North America Europe and Israel bring to bear on the study of Jewish liturgy The book spans the entire history of rabbinic prayer and presents a diverse array of approaches ranging from classical methods applied to new topics to today s interdisciplinary approaches Contributors include R Kimelman S Fine D Reed Blank V B Mann S C Reif R Langer N Feuchtwanger Sarig M L Kligman J D Sarna J Tabory and S P Wachs **The Search for the Origins of Christian Worship** Paul F.
