## **The Magdalene:**

**The Magdalene in the Reformation** Margaret Arnold, 2018-10-08 Prostitute apostle evangelist the conversion of Mary Magdalene from sinner to saint is one of the Christianity s most compelling stories Less appreciated is the critical role the Magdalene played in remaking modern Christianity Margaret Arnold shows that the Magdalene inspired devotees eager to find new ways to relate to God and the Church

*Reimaging the Magdalene* Siobhán Jolley, 2025-03-20 This book offers a new intersectional feminist approach to utilising and interpreting the visual reception of Mary Magdalene Through employment of Liberative Reception Criticism which develops traditional reception theory in line with liberative hermeneutics via the insights of intersectionality as critical theory Siobhán Jolley provides a novel means of analysing how women and particularly the Magdalene are imaged in Christian tradition Knowledge of both the biblical figure of Mary Magdalene and her cultural reception continue to be dominated by long discredited ideas about her life and sexuality which bear the hallmarks of their development under patriarchy Through close study of relevant biblical texts and extracanonical accounts and a comprehensive survey of the Magdalene s presentation in the Italian art of the Counter Reformation Jolley demonstrates that the patriarchal portrayal of the Magdalene as a sexualised penitent and mournful witness to the resurrection is sustained by its mythic attachment to biblical text Rather than adopting the same tropes uncritically we are invited to look again at artworks and related texts in order to explore what happens when the influence of patriarchy is actively and intersectionally resisted Ultimately the Magdalene is transformed from a reductive and patriarchally mythologised figure to a multidimensional character who is relatable and liberative as an exemplar

**Magdalene's Ascension** Annine van der Meer, 2025-01-21 Examines the lives of Jesus and Mary Magdalene using biblical historical apocryphal and recent channeled sources as well as regression reports Explains the concept of ascension through a quantum physics framework detailing Mary Magdalene s ascension along the Tree of Life Explores Mary s family background her education in Egypt her mission in Western Europe and her life and work alongside Jesus including her role as his wife and his appointed successor Expanding the scholarship and understanding of the early Christian period and the world of the Essenes from a feminine perspective religious historian Annine van der Meer offers a detailed new account of the life of Mary Magdalene also known as Mary of Bethany or Miryam the Migdalah showing how Mary s spiritual path is intimately connected to our current times of ascension The author explores Mary s family background her education in Egypt her mission in Western Europe her life and work alongside Jesus also known as Yeshua and her anointing as his wife and his appointed successor Though not recognized by the patriarchal disciples Peter Andrew and Paul the author presents the evidence of Mary s role through biblical historical apocryphal and recent channeled sources and regression reports including those of Dolores Cannon Stuart Wilson Joanna Prentis and Claire Heartsong Van der Meer then reveals Mary s ascension process through seven branches along the Tree of Life detailed in The Gospel of the Beloved Companion written by Mary

herself and scientifically explains ascension the changing of the physical body into a light body through recent developments in quantum physics She takes the reader through seven portals from individual ascension to collective ascension illuminating not only Mary s heavenly journey of becoming light but also its spiritual significance for each of us as individuals and for the world as a whole    *Origins of the Magdalene Laundries* Rebecca Lea McCarthy,2010-03-08 The convents asylums and laundries that once comprised the Magdalene institutions are the subject of this work Though originally half way homes for prostitutes in the Middle Ages these homes often became forced labor institutions particularly in Ireland Examining the laundries within the context of a growing world capitalist economy the work argues that the process of colonization and of defining a national image determined the nature and longevity of the Magdalene Laundries This process developed differently in Ireland where the last laundry closed in 1996 The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization from an affluent strong supporter of Jesus to a simple fallen woman    **The Magdalene** Lars Muhl,2017-06-13 This real life gnostic thriller offers an esoteric biography of Mary Magdalene her training in the Egyptian mystery school her marriage to Jesus and her escape to France after his death A story that for too long has been crying out to be told Henry Lincoln author of Holy Blood Holy Grail Mary Magdalene is arguably one of Jesus best known disciples and yet we know very little about her From the writing of the New Testament to the filming of The Da Vinci Code her image has been repeatedly conscripted contorted and contradicted Mary is considered by many as an outcast underserving of Jesus s love In this follow up book to The Seer we join Lars Muhl as he seeks to find out more about the intimate relationship between Jesus Yeshua and Mary Magdalene This is the story of a forgotten feminine power recounted in parallel to the author s journey The Magdalene is the second book in the Grail Trilogy otherwise known as The O Manuscript
