The Bleeding Iroko:

The Bleeding Iroko Innocent Emechete, 2005 The Bleeding Iroko though a fictional story has some elements that are situated in reality of a place It highlights the Pagan Christian divide in the late eighteen and early nineteen hundreds among the IGBO people of Eastern Nigeria West Africa Before the advent of Christianity the people were practicing Traditional African Religion The Njoku episode exposes the pains ostracism and struggles of Converts from Paganism to Christianity The shame and humiliation are extreme It also in a small way focuses on the solidarity of the NEW RELIGION It is a story of faith courage and heroism as is exemplified in Mazi Njoku the former High Priest of Ogwugwu the god of Umuebi village This heroism of a Convert is at odds with the superstition of the Pagan village of Umuebi The reader is invited to see almost to a point of active participation the polarity and dynamism of conversion of a religious nature in an African context The odds of one becoming a Christian in those days were very low There exists in the plot a sense of myth fear superstition and awe in the Pagan worship of their god represented by a BUSH with magnificent exhibition of nature The struggle between the old religion of Umuebi people and the brand new religion of the WHITE MAN changed the face of a quiet simple village to a confused fearful and hateful village people with inquisitive minds The fear factor spread like wild fire The supposed sin of one man is necessarily affecting every man woman and child in the village Like a scene from the Old Testament the sin of an individual becomes the sin of all To appease the god or gods everyone in the Community will be part of the atonement Just like in the Book of Leviticus the culprit the priest and the Community of Umuebi had to be part of the sacrifice of cleansing expiation or atonement to the god Ogwugwu The wind of this poisoned atmosphere did not stop in Umuebi village It spread to other villages around them The battle of two kinds of religious expressions Paganism and Christianity is now on It becomes a battle between letting twin babies live or die to bury women who died giving birth with dignity or just dumping them in the bad bush believing or not in the reincarnation etc Finally the resolution or lack thereof in this struggle is interesting and intriguing because it incorporates the reader into becoming players in the plot The Bleeding Heart Fola Akinyemi, 2001

Animal Stories Daddy Told Us Innocent Emechete, 2010-12 *American Decline* Innocent Emechete, 2025-11-06 In *American Decline* Father Innocent Emechete delivers a passionate examination of America's cultural and moral transformation from a nation firmly rooted in Judeo-Christian values to one increasingly defined by secularism moral relativism and progressive politics Drawing from his unique perspective as a Catholic priest with experience in both Nigeria and the United States Emechete traces America's journey from the post WWII era of traditional values through the societal upheavals of the 1960s to today's conflicts over abortion LGBTQ issues and religious expression in public life He argues that the removal of God from America's schools families and public discourse has directly contributed to increasing rates of crime addiction homelessness and moral confusion With unflinching criticism of progressive policies and what he sees as the damaging effects of political correctness Emechete challenges readers to consider how America might return to what he

views as its founding principles His analysis covers hot button issues including transgender rights education policies the breakdown of traditional families and the proper role of government in addressing social problems This unapologetically conservative Christian critique offers a counterpoint to progressive narratives about American culture and provides a rallying cry for those who believe America's future depends on reclaiming its religious heritage and traditional moral framework If you enjoyed *The Right Side of History* by Ben Shapiro *The Death of Right and Wrong* by Tammy Bruce or *How the West Really Lost God* by Mary Eberstadt you'll love *American Decline* [American Culture and the Nigerian Society](#) Innocent Emechete, 2007-01-09 *American Culture and the Nigerian Society* by Innocent Emechete Visit the Order Page Description About the book An experiential observation of behavioral problems in some American and Nigerian children by the author sparks off this inquiry Thus *American Culture and the Nigerian Society* an investigation into whether America has influenced other countries like Nigeria and to what extent is born It starts by looking at the word culture which makes a people unique and the cultural ramifications within and outside America The author researches into whether or not these American influences are for better or for worse in the recipient countries Incidentally Nigeria and the United States have something in common both were once British Colonies Nigeria for two months shy of forty seven years Jan 1 1914 to Oct 1 1960 and America for one hundred and twenty four years 1651 1775 The author finds out that technological advancements have made it possible for American culture to take root in other countries like Nigeria There are cultural exchanges in goods and services the good the bad and the ugly are also exchanged crime and drug culture and sexual revolutions of the sixties are no exceptions In Churches there are religious cultural exchanges too Through televangelism American religious views spread through many countries like Nigeria The sense of the sacred disappears within a few decades The author discovers too that the Church loses its moral fiber and its moral high ground by the day and replaces them with money the almighty dollar The congregation in the pews is desensitized by losing a big chunk of the sense of humanity and feeling Killing innocent lives becomes a common place activity that does no longer raise eyebrows Moral decadence sets in because there is nothing sacred and no more sanctity of life in the very young and the very old The lawmakers being part of the congregation in the pews across America almost resoundingly say amen to the foregoing After all they make the laws which the Presidents sign The third branch of Government the courts register their consent through activist Judges Then things completely fall apart Who are the victims in all this Our children Since children do not stay passive they become negatively active We see it school shootings students cutting school or classes drug activities bank robberies and other deviant behaviors that land about two million of our children in prison The author has some suggestions that can rescue our children from this downward trend if all hands are on deck As in America so it is in satellite countries associated with America The author focuses on Nigeria in particular and makes some recommendations to help Nigerian children to fight with the giant and not be crushed unto death
