## **The Bone Pickers:**

*The Bone Picker* Devon A. Mihesuah,2024-10-08 Under the shadow of gray clouds three children venture into the woods where they spot the corpse of an old man on a scaffold Suddenly a wild figure emerges with long fingernails and tangled hair It is the Hattak fullih nipi foni the bone picker who comes to tear off rotting flesh with his fingernails Only the Choctaws who adhere to the old ways will speak of him The frightening bone picker is just one of many entities scary and mysterious who lurk behind every page of this spine tingling collection of Native fiction written by award winning Choctaw author Devon A Mihesuah Choctaw lore features a large pantheon of deities These beings created the first people taught them how to hunt and warned them of impending danger Their stories are not meant simply to entertain each entity has a purpose in its behavior and a lesson to share to those who take heed As a Choctaw citizen with deep ties to Indian Territory and Oklahoma Mihesuah grew up hearing the stories of her ancestors In the tradition of Native storytelling she spins tales that move back and forth fluidly across time The ancient beings we discover followed the tribe from their original homelands in Mississippi and are now ever present influences on tribal consciousness While some of the horrors told here are real life in nature the art of fiction that Mihesuah employs reveals surprising outcomes or alternative histories It turns out the things that scare us the most can lead to the answers we are seeking and even ensure our very survival
