P. J. Parker

The Bride Of Suleiman:

The Bride of Suleiman Aileen Crawley,1981-01-01 **Addicted to Love** Tom Mathews,2015-03-06 Relationships often hit a road block when two lovers with differing backgrounds of race and faith lose their initial fervor of love and face the hard realities of married life It is further complicated by parents who interfere with their forgiving flow of love for each other by demand of strict adherence to their religious beliefs and practices This story is based on someone I knew and the tragic developments following Marias union though highly fictionalized is emotionally charged No inferences are to be made from one or the others character in the story based on their racial ethnic or religious affiliation To many of the new immigrants America is a promised land where they can realize their dreams and attain opportunities and financial betterment However animosity and racial prejudices run rampant among these diverse groups It seems everyone at times is guilty of these hateful thoughts although the degree of their prejudices vary from mild to monstrous I am attempting to reflect the foreboding thoughts that creep into the young minds when things go wrong which in turn adds fuel to the burning fire of discord in their married life Please remember that realism prevails in the text of this novel **Roxelana & Suleyman** P. J.

Parker,2016-05-26 The internationally acclaimed polarizing fictional Romantic Saga Roxelana was the most seductive powerful egotistical intriguing manipulative and enigmatic woman of the early sixteenth century History had known no one of such beauty and cunning Yet very few know her story Europe is in turmoil under the oppressive rule of the Hapsburgs and the incessant raids of marauding Tartar Warriors Istanbul the eye of the Ottoman Sultanate and considered to be the center of the Universe is the largest and most cosmopolitan city in the world It is intoxicating and vibrant But it is also a metropolis of mis placed trust of decadence run by a sexually charged drug riddled bureaucracy In the middle of this city high on an imposing promontory is the fabled Topkapi Palace the Seraglio of Sultan Suleyman Khan the Shadow of God on Earth Within its multitude of gazeled courtyards along its secluded arcades and twisting down through its labyrinth of corridors to the solidly locked doors of the Sultan s Harem are secrets and whispers that promise death by strangulation to some and absolute power to others It is in this world that a young girl abducted by Tartars and sold into slavery captured the heart of the greatest Ottoman Sultan and rose to control the largest armies on Earth from within the gilded cage of Topkapi Harem But does she know that there are those who would see her dead And yet another whose undying love if revealed would lead to the destruction of all her well laid plans The story of Roxelana has remained hidden for centuries and needs to be told It is about someone we should all be acquainted with intimately The Rise of Christendom Edwin Johnson,1890 **Ibrahim**
