William Smith

The Burden:

The Burden N. E. David, 2015-04-24 Frank is a reformed alcoholic He lives at home with his mother Elisabeth at least he did until she went into a nursing home suffering from dementia He is devoted to her and conversely hates his estranged father Geoffrey So when elder sister Pat calls to tell him Dad is dying and wants to meet him Frank is forced to face up to his demons But what are they And how did he acquire them Every family has its secrets and Frank s is no exception As much as he tries to forget something happened a long time ago that has coloured his life ever since and he can t live in peace until he confronts it Seen from the perspective of four separate family members The Burden examines an individual s contrasting relationships and the different emotions they inspire

The Burden Jenni Ward, 2021-07-24 She had been raised to fight but one decision will threaten the only life she knows Alexa is a warrior and she is destined to be one of the leaders in the village Her life is full of training while she watches the skies for the threat of dragons When the dragons attack wiping out most of the elders Alexa swears that she is going to end the long running feud once and for all She makes a plan but her best friend isn t going to let her face it alone With Zen at her side Alexa discovers that life outside the village is very different The closer they get to the mountains the more they learn about the dragons and the burden they carry Despite all this Alexa is steadfast in one thing the dragons must die Alexa soon has to face the unimaginable and risk breaking her heart to save them all

The Body Bears the Burden Robert Scaer, 2014-01-03 When The Body Bears the Burden made its debut in 2001 it changed the way people thought about trauma PTSD and the treatment of chronic stress disorders Now in its third edition this revered text offers a fully updated and revised analysis of the relationship between mind body and the processing of trauma Here clinicians will find detailed thorough explorations of some of neurobiology s fundamental tenets the connections between mind brain and body and the many and varied ways that symptoms of traumatic stress become visible to those who know to look for them

The Burden of Prophecy Albert Cook, 1996 Albert Cook examines the fusion of poetic with scriptural thinking in the prophets and wisdom writers of the Old Testament focusing on the details of their thematic concentrations and on the posture they assume to orient themselves in their prophecies Most poetry looks toward the past Keats Li Po and Pindar for example all offer the profundity of a stocktaking The poetry of the Hebrew prophet however is oriented toward the future At worst the prophet s perception and his intent can lead to an informed readiness for the future at best they can lead to a restoration of the people s covenant with God but in any case they will lead to a future whose features are compassed in the articulated vision The Burden of Prophecy explores the implications of these conditions balancing poetic religious and anthropological questions as it examines the Old Testament books of the prophets and their successors Amos Isaiah Jeremiah Ezekiel Zechariah Daniel Psalms and Ecclesiastes
