

The Burma Siam Railway

T.G. Otte, Keith Neilson

The Burma Siam Railway:

River Kwai Railway Clifford Kinvig, 1992 Published to coincide with the 50th anniversary of the building of the Burma Siam Railway this book examines the episode in its strategic logistic and manpower contexts Its purposes planning construction and ultimate contribution to Japan s overall strategy are assessed from the perspective not only of the Japanese soldiers and the Allied prisoners but also of the Burmese and Indian labourers whose plight has less frequently been considered The Thailand-Burma Railway, 1942-1946 Paul H. Kratoska, 2006 **The Thailand-Burma Railway, 1942-1946: Voluntary accounts** Paul H. Kratoska, 2006 **One Fourteenth of an Elephant** Ian Denys Peek, 2011-02-28 A memoir of life and death on the Burma Thailand Railway Four and a half days after being transported out of Singapore in a steel goods train in October 1942 prisoner of war Denys Peek found himself in Siam and a part of the labour force destined for the project that was later to be known as the Thai Burma death railway Together with his brother Ron and contingents from the Australian and British armies and Volunteer units among others Denys spent the duration of the war in over fifteen different work and hospital camps on the railway where over 20 000 prisoners of war and uncounted slave labourers met their deaths **The Burma-Siam Railway** Robert Hardie, 1983-01-01 **The Burma-Siam Railway** Robert Hardie, 1984 The Burma-Thailand Railway of Death E. R. Hall, 1981 **Into the Smother** Ray Parkin, 1963 **The Thailand-Burma Railway, 1942-1946: Documents, post-war accounts, maps, and photographs** Paul H. Kratoska, 2006 **Railway Times** , 1895 **Building the Siam-Burma Railway During World War-II** Tilak Raj Sareen, 2005 No subject created so much controversy during and after the Pacific war as the Japanese treatment of the Allied Prisoners of War P O W in flagrant violation of the Geneva Convention Whether it was due to the racial war carried out by the Japanese or was the outcome of the mistaken value of Bushido the question has never been resolved The harsh and brutal treatment of the P O W was fully demonstrated when the Japanese decided to utilize them for the construction of Siam Burma railway Driven like slaves and with semi starvation diet the Allied P O W were left with no stamina to fight tropical diseases As a result thousands of them died while working on Siam Burma Railway which came to be known as Railroad of Death A fictional account of the sufferings of the Allied P O W was made famous by Hollywood few years back in the film The Bridge on the River Kwai In this book the Author has reproduced the original reports to presents the factual details It is hoped that these reports will be usefull for the students studying the Japanese policy during the Second World War **The Railway Times** , 1895 A Life for Every Sleeper Hugh V. Clarke, 1986-01-01 En beretning bl a ved hj lp af gamle fotografier om hvordan japanerne under 2 verdenskrig ved hj lp af krigsfanger byggede jernbanen mellem Burma og Thailand herunder ogs broen over floden Kwai **Railroad to Burma** James Boyle, 1992 A 25 year old Australian James Boyle was one of thousands of prisoners of war who worked in inhuman conditions to build the Thailand Burma railway He was determined to record his experiences and those of his mates at the limits of human endurance Railways and International Politics T.G. Otte, Keith

Neilson,2012-09-10 This new study brings together leading experts to show how the modern world began with the coming of the railway They clearly explain why it had a greater impact than any other technical or industrial innovation before and completely redefined the limits of the civilized world While the effect of railways on economic development is self evident little attention has been paid to their impact on international relations This is unfortunate for in the period from 1848 to 1945 railways were an important element in the struggle between the Great Powers This took many forms Often as in East Asia the competition for railway concessions reflected the clash of rival imperial interests The success or failure of this competition could determine which of the European Powers was to dominate and exploit the markets of China and Siam Just as often railways were linked with military matters Prussia s success in the wars of German unification depended on its strategic railways just as much as on the strength of its armies and the rail links remained a vital aspect of German military thinking before the First World War So too did they for the Russians whose vast Empire required rail links capable of moving the Tsarist army quickly and competently Just as importantly railways could be vital for Imperial defence as the British discovered on the North West frontier of India This book will be of much interest to students of international history military history and strategic studies

Historical Dictionary of Burma (Myanmar) Donald M. Seekins,2017-03-27 Burma Myanmar is a Southeast Asian country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma s president retired General Thein Sein had established a working relationship with Daw Aung San Suu Kyi the leader of the country s pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people s security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country s religious minorities especially Muslims Today Burma s prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma s over 1 500 years old recorded history and the most important features of its cultures ethnicity religions society and economy This is done through a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture

Across the Three Pagodas Pass Peter Davies,2025-10-01 This is a translation of the only known detailed account of the building of the notorious 262 mile long Thai Burma Railway by one of the Japanese professional

engineers who was involved in its construction The author Yoshihiko Futamatsu provides an invaluable new source of historical and technical reference that complements the existing large body of literature in English on this subject Futamatsu's memoir also includes wide ranging reflections on the course and conduct of his war as well as his engineering and army experiences The Thai Burma Railway took eighteen months to build and cost the lives of some 90 000 people mostly British Australian Dutch and American POWs as well as great numbers of local labourers out of a total of over 200 000 including some 12 15 000 Japanese who were engaged in the enterprise The Three Pagodas Pass was located at the Thai Burma frontier Across the Three Pagodas Pass is edited and introduced by Peter N Davies who provides the back story to the publication of this book and the key people involved This is followed by translator Ewart Escritt's original Introduction to his translation of Futamatsu's memoir which also includes a detailed account of his own POW experiences as well as his reflections on the war and its outcomes Many contemporary original drawings maps and photographs appear in the plate section

The Death Railway Will de Bruijn Janssen, 2014-09-01 Original report of July 1947 by Lt Col K A Warmenhoven who was appointed by the Allies after WWII to report on and fully evaluate the Thailand Burma Railway built using the Prisoners of War as slave labourers of the Japanese during WWII prior to the sale of the railway to Thailand after the surrender of Japan

The Journal of the Burma Research Society, 1955

On the Shadow Tracks Clare Hammond, 2024-06-06 On the Shadow Tracks harnesses the railway lines of Myanmar's complicated past to its turbulent present and the result is part travelogue part history and completely absorbing An astonishing achievement Joanna Lumley In 2016 while working as a journalist in Yangon Clare Hammond discovered an obscure map that showed a web of new railways spanning the length and breadth of the country railways not shown on any other publicly available maps She was determined to uncover the railways origins purpose and most of all the silence that surrounded them She would spend three months travelling on these mysterious railways and the next five years piecing their story together Her journey would take her from Myanmar's tropical south to the embattled mountain towns that border India and China In dilapidated carriages along tracks in disrepair through contested ethnic states and former sites of forced labour visiting temples tea shops and festivals Clare encountered a colourful and contradictory Myanmar through the stories of its people Simultaneously a lush and evocative travelogue an unsparing account of Myanmar's recent history and an astonishing conversation shifting engagement with Britain's colonial legacy On the Shadow Tracks is that rare and necessary thing a book that finds and tells the truth

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, Dive into the World of **The Burma Siam Railway** . This educational ebook, conveniently sized in PDF (*), is a gateway to personal growth and intellectual stimulation. Immerse yourself in the enriching content curated to cater to every eager mind.
