

A photograph of Ronald Reagan speaking at a wooden podium. He is wearing a dark suit, white shirt, and red tie. An American flag is to his left, and a white flag with a red star is to his right. The background is a dark blue wall with several framed portraits. A large blue sign with white text is in the foreground.

**REAGAN FOR
PRESIDENT
IN 1980**

The Campaign For President 1980 In Retrospect

Charles Brereton

The Campaign For President 1980 In Retrospect:

Notable Speeches in Contemporary Presidential Campaigns Robert V. Friedenberg, 2002-03-30 Though many studies of contemporary campaigns focus on brief political advertisements and the growing impact of technology on contemporary campaigns the definitive statements of most candidates are still made in public addresses Friedenberg examines the first public address made by an American presidential candidate on his own behalf The circumstances giving rise to William Henry Harrison's 1840 address and the themes that he developed in that address are strikingly contemporary serving as an appropriate prelude to the examinations of contemporary political speaking that follow Those examinations focus on notable campaign speeches by John F Kennedy Barry Goldwater Richard Nixon Ronald Reagan Bill and Hillary Clinton and George W Bush Each study examines a key event that foreshadowed the speech studied Each study presents a rhetorical biography of the speaker including a discussion of the speechwriting team and preparation techniques utilized by the speaker Each study presents a thorough study of the campaign context in which the speeches were presented Each also presents a close reading and rhetorical analysis of the speech itself and observations on the impact of the speech Cumulatively Friedenberg's studies help to illustrate how even in today's high tech political environment of 30 second ads and candidate Web sites public speeches continue to play a crucial role in political campaigning Of particular interest to scholars and students involved with political communication and political American campaigning

After Reagan John J. Pitney, Jr., 2019-11-07 Upon the 2018 death of George H W Bush pundits and politicians mourned the passing of an exemplar of the statesmanship and bipartisan ethos of an earlier day The judgment though sound would have shocked observers of the 1988 election that put Bush in the White House From a scholar who played a small role in that long ago election After Reagan provides an eye opening look at a presidential campaign that few suspected marked the end of an era or the rise of forces roiling our political landscape today Willie Horton Read my lips No new taxes Michael Dukakis in a helmet in a tank Though these are remembered as pivotal moments in a presidential campaign recalled as whisker close in his book John J Pitney Jr reminds us how large Bush's victory actually was and how much it depended on social conditions and political dynamics that would change dramatically in the coming years A turning point toward the post Cold War hyper partisan culturally divided politics of our time the election of 1988 took place in a very different world After Reagan captures a moment when campaigns were funded from the federal Treasury when Republicans had a lock on the presidency and Democrats controlled Congress when the electorate was considerably whiter and less educated than today's and when the fall of the Berlin Wall and the Soviet Union and the subsequent rise of globalization were virtually unimaginable Many books tell us that elections have consequences Pitney's explains how campaigns are consequential the 1988 campaign more than most From the perspective of the last thirty years After Reagan shows us the 1988 election in a truly new light one that in turn reveals the links between the campaign of 1988 and the politics of the twenty first century

Reagan's Victory Andrew Busch, 2005 Many have pointed to the Iran hostage

crisis others to galloping inflation In reality as Andrew Busch makes clear Ronald Reagan s defeat of President Jimmy Carter in 1980 was attributable to more than any one issue no matter how galvanizing It marked the growing ascendancy of conservative attitudes that had been brewing for two decades and marked the clear end of the era of New Deal liberalism Busch offers the first comprehensive study of this contest going beyond journalistic accounts to show why it remains one of the truly landmark elections of the past century Through a compelling story full of colorful characters unexpected plot twists and dramatic finales he reveals how it both reflected the politics of its time and foreshadowed our nation s political future Beginning with Carter s crisis of confidence speech on July 15 1979 Busch introduces the field of candidates follows their campaigns through the primaries and general election identifies the key turning points and winning strategies and assesses the results including the GOP s first Senate majority in twenty six years He shows how the Democrats were weakened by the demise of the New Deal coalition and a decline in public confidence while Republicans were bolstered by the growth of the conservative movement and by all that had gone wrong during the Carter presidency He also examines the creation of a Sunbelt coalition the growing influence of religious conservatives and the independent candidacy of John Anderson which held Reagan s majority to 51 percent and foreshadowed Ross Perot s 1992 run Reagan s victory marked a major turning point in American presidential history realigned the demographics of party affiliation throughout the nation especially in the nation s Sunbelt and gave conservatives their first real victory in their fight against Big Government Busch s book recaptures the people and events of that historic campaign and greatly enlarges our understanding of American politics from the 1960s to the present

The Politicizing Presidency Thomas J. Weko, 1995 From Truman to Clinton presidents have aggressively tried to expand their control over national government In the process they have vastly enlarged their White House staffs and politicized the federal bureaucracy with thousands of appointees in key administrative positions Thomas Weko argues that the Presidential Personnel Office PPO charged with screening and recommending such appointees both exemplifies and helps explain the enormous growth of presidential power since World War II Originally conceived as a small advisory group within the White House Office the PPO has grown enormously from a staff of two under Truman to as many as sixty under other presidents and now oversees nearly four thousand appointments per administration Weko charts the PPO s evolution and influence and shows how central it is to our understanding of modern presidential leadership Weko s starting point is Terry Moe s rational choice theory that it is the institution of the presidency not the sitting president that fosters centralization and politicization within the executive branch Amplifying and extending Moe s theory Weko persuasively links the PPO s explosive growth to the weakening of political parties the post Eisenhower disintegration of policy networks the growing impact of television news and the public s increasing readiness to hold the President accountable for policy failures The PPO s growth clearly has increased presidential control and bureaucratic responsiveness But Weko argues those results have had unanticipated and unwanted consequences that among other things have undermined the integrity and capabilities of

administrative agencies Any improvement in the leadership of the executive branch he contends can only emerge from changes in the current institutional arrangement of the presidency itself Based on exhaustive research in White House files oral histories and memoirs and personal interviews with over 100 White House aides Weko's study provides a provocative new look at the White House Office and the modern presidency *Index of Conference Proceedings Received* British Library. Lending Division,1982 **Subject Catalog, 1982** Library of Congress,1982 **The Politics that Make Presidents** Evan Spencer Jones,2008 **The Carter Administration's Image of the International System** Jerel A. Rosati,1982 **The Cumulative Book Index** ,1982 A world list of books in the English language **Change and Continuity in the 1980 Elections** Paul R. Abramson,John H. Aldrich,David W. Rohde,1983 **America, History and Life** ,1998 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **The Carter Administration's Quest for Global Community** Jerel A. Rosati,1987 **Democrats, Republicans, and the Politics of Women's Place** Kira Sanbonmatsu,2002 Law Books in Print: Author Nicholas Triffin,1987 **First in the Nation** Charles Brereton,1987 American Book Publishing Record ,1982-04 **The New Politics of Old Values** John Kenneth White,1998-09-17 The New Politics of Old Values provides the first assessment of the vital importance of values in the political process by analyzing Ronald Reagan's intuitive appeal to traditional American values including individualism freedom and equality of opportunity The author was the first to go beyond money and taxes into the now hot topic of values as motivation for the decision making of voters He exposes the first approach to an election with a strategy of values as Reagan did in 1980 through this now dominant subject during the presidency of Bill Clinton He follows the evolution from Reagan's appeal to the underlying liberalism that characterizes the American polity using the words family work neighborhood peace and freedom to Clinton's repeated emphasis on opportunity community and responsibility capturing how values have reshaped the political maps of the United States bringing the Democratic and Republican parties together on these mandatory issues Directory of Published Proceedings ,1987 **Book Review Digest** ,1983 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher *Political Campaign Communicaton* Lynda Lee Kaid,Anne Johnston Wadsworth,1985-07-28 No descriptive material is available for this title

Whispering the Techniques of Language: An Psychological Quest through **The Campaign For President 1980 In Retrospect**

In a digitally-driven earth wherever screens reign great and quick communication drowns out the subtleties of language, the profound strategies and psychological subtleties hidden within words frequently get unheard. However, nestled within the pages of **The Campaign For President 1980 In Retrospect** a fascinating literary treasure pulsing with natural emotions, lies a fantastic journey waiting to be undertaken. Composed by a talented wordsmith, this wonderful opus attracts readers on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the very cloth of each and every word. Within the emotional depths of this emotional review, we shall embark upon a genuine exploration of the book is primary themes, dissect their charming publishing model, and fail to the strong resonance it evokes heavy within the recesses of readers hearts.
