Y. Fisher, 2001-10-22 Why did I write this Because I believe that every person that desires or claims to be a CHRISTIAN should take the time to conduct a comprehensive study of the Scriptures Acts 17 11 These were the more noble than Thessalonica in that they received The Word with all readiness of mind and searched the Scriptures daily whether those things were so and 2 Tim 3 16 tells us All Scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness This I have done The result will be that the man of God might become thoroughly equipped for every good works This study should then be documented in writing which would then become their direction s on how they can improve their own personal lives Having done this they will be competent to help a brother or sister in their time of need Further every person has their own subjects and or circumstances they must determine themselves Additionally I believe every Christian should study the births history and future of the CHURCH OF THEIR CHOICE I then conclude this document with A Synopsis which might be described as my personal offering The title I have chosen for these studies and documentation comes from the Hebrew word root YACAD ya saud which means among others foundation cornerstone or to establish I believe that we all must build our own foundation cornerstone and then establish a viable program in the study of the scriptures May God Bless all that chose to read study and inject these words that I have written Written for my benefit and with the Grace of God that read them
