Andrew Gerstle,Timothy Clark,Akiko Yano,2005-07-31 Review Kabuki Heroes is about collective participation in urban culture on the stage in poetry salons in art studios and in fan clubs Focusing on the culture of Kabuki theatre in Osaka and Kyoto it illustrates the passionate hero worship of actors by all levels of society Fans vigorously engaged in the creation of celebrity and fame for their idols and thereby won their own moments of glory and glamour in the spotlight Many of these participants are represented here most of them ordinary townsmen but also a few samurai and courtiers This interactive nature of Kabuki culture is particularly intriguing the actors themselves not only appeared on stage but involved themselves in other cultural circles such as poetry salons Kabuki fan clubs on the other hand performed formal rituals at the theatre individual fans became amateur performers while others created lavish colour prints and books to support favourite actors and spread their fame This catalogue illustrates that our obsession with celebrity is not just a modern phenomenon in eighteenth and nineteenth century Osaka we can rediscover many elements in common with our own times Most importantly after the spread of new colour woodblock printing technology in the late 1760s a golden age of popular Kabuki culture was promoted far and wide with beautifully coloured prints and books The fine examples brought together here from leading public and private collections in Europe and Japan evoke a fascinating period when theatre art and poetry were essential elements of social and cultural life BOOK JACKET
