The Nameless Road:

The Nameless Road Simon Harvester, 1969 **Many Moons to Mythville: the Collected Road Poems** Douglas McDaniel, 2008-07-14 Poetry written during a 10 year span of criss crossing America in a roving eye view of the turn of the century landscape of Mythville or as the author puts it It s all a bunch of Mythville With work from four separate books by Arizona based author and poet Douglas McDaniel the bard inspired voices of Milton Blake and Yeats as well as the saturnine streak of early beat poesy ring through this collection of poems and essays From the southwestern deserts to the Atlantic and Pacific Coasts Many Moons to Mythville is a foot to the floor blast through the mythical roads of American life *Bone White* Ronald Malfi, 2018-09-25 A man s search for his missing brother triggers a blood freezing odyssey into the Alaskan wilds in a terrifying novel by an award winning master of contemporary horror You should not be here Paul Gallo sees the report on the news a disheveled loner in the remote hamlet of Dread s Hand Alaska calmly admits to the murder of eight hikers and agrees to lead authorities to his victims graves It s the same bit of unsettling wilderness where Paul s twin brother Danny vanished a year ago Assuming that Danny s remains will be among the exhumed bodies Paul arrives to find Dread s Hand far from welcoming Locals talk of superstitions legends and a devil that steals souls Wooden crosses staked in the frozen ground cordon off the woods to keep what s in there from coming out Most troubling no one can explain exactly what happened to Danny As Paul searches for answers the true horrors of Dread s Hand close in around him The most chilling mystery of all may be how to get out of there alive *Contrasts in Command* Victor Vignola, 2023-10-26 The author s new and important study concentrates on the Fair Oaks part of the battle His research is thorough he has walked the ground and his narrative brings the battle to life Doug Crenshaw author historian The bloody two day battle was fought on the doorstep of the Confederate capital It was the first major combat in the Eastern Theater since Bull Run Manassas almost a year earlier left more than 11 000 casualties in its wake and cost the primary Southern field army its commander The possession of Richmond hung in its balance Yet almost nothing has been written about Seven Pines Fair Oaks Victor Vignola s *Contrasts in Command* The Battle of Fair Oaks May 31 June 1 1862 which focuses primarily on the Fair Oaks portion of the battle is a major contribution to the historiography of the war Maj Gen George B McClellan marched his Army of the Potomac up the Virginia Peninsula during the early spring of 1862 and placed his inexperienced IV Corps at the tip of the spear south of the flood prone Chickahominy River McClellan s opponent Joe Johnston took the opportunity to strike and crafted an overly complex attack plan for his Virginia army to crush the exposed corps A series of bungled marches piecemeal attacks and a lack of assertive leadership doomed the Southern plan One of the wounded late in the day on May 31 was Johnston whose injury led to the appointment of Robert E Lee to take his place a decision that changed the course of the entire Civil War Vignola s use of primary and archival sources many of which have never been used helped craft a wholly original tactical and leadership study that directly challenges conventional accounts His stunning reassessment has led to renewed interest in

Fair Oaks and the acquisition of a significant parcel of land by the American Battlefield Trust Contrasts in Command The Battle of Fair Oaks May 31 June 1 1862 will be hailed as one of the most important tactical studies ever published The Wade-Whitten Connection Margaret Wade Whitten,1993 Al Quinn Mysteries: Collection 1 Russ Hall,2017-11-28
