Krishnamurti, 2022-01-04 Musaicum Books present to you the collected works of U G Krishnamurti The Mystique of Enlightenment Courage to Stand Alone Mind is a Myth No Way Out Thought is Your Enemy The Natural State Uppaluri Gopala Krishnamurti 1918 2007 better known as U G was an Indian speaker who questioned the state of enlightenment as a real thing Instead of using the word enlightenment he used calamity and natural state to describe an event in his life He claimed that the return to the natural state is a rare a causal biological occurrence an event which he referred to in his own life as the calamity Because of this he discouraged people from pursuing the natural state as a spiritual goal He rejected the very basis of thought and in doing so negated all systems of thought and knowledge Hence he explained his assertions were experiential and not speculative Tell them that there is nothing to understand

U. G. Krishnamurti: Collected Works U. G. Krishnamurti,2023-12-28 U G Krishnamurti Collected Works presents an enlightening compilation of the radical and often controversial thoughts of U G Krishnamurti a philosopher known for his unconventional views on enlightenment and the nature of reality This compilation showcases a diverse range of writings dialogues and spontaneous discourses that embody his unique literary style marked by striking clarity and existential immediacy Set against the backdrop of 20th century philosophical discourse this work challenges traditional paradigms of spirituality and self realization encouraging readers to question established beliefs and explore the depths of their own consciousness U G Krishnamurti often referred to as the non guru emerged from a background steeped in both traditional Indian philosophy and Western thought His encounters with various thinkers as well as his personal struggle for authenticity profoundly influenced his perspective on the human condition Rejecting the notion of spiritual hierarchy and the pursuit of enlightenment U G proposed a radical approach to existence that places emphasis on the raw experience of life unencumbered by societal constructs This collection is essential for those seeking a deep transformative exploration of consciousness as well as for readers interested in philosophical inquiry U G Krishnamurti s work serves as both a provocative challenge to conventional spiritual wisdom and an invitation to engage with the untamed essence of being

*The Mystique of Enlightenment* U. G. Krishnamurti,2020-12-08 In The Mystique of Enlightenment U G Krishnamurti delves deep into the often misunderstood and romanticized concept of enlightenment Through a provocative and contrarian literary style Krishnamurti challenges the prevailing notions of spiritual attainment arguing that enlightenment as traditionally perceived is a mere illusion He employs a combination of philosophical inquiry and

experiential narrative drawing from his own radical interpretations of various Indian philosophical traditions distilling complex ideas into accessible insights that invite readers to question the validity of their own spiritual ambitions. This work acts as both a critique and an exploration situated amid the broader discourse on spiritual awakening within the 20th century landscape of Eastern philosophy and Western psychological thought. U G Krishnamurti, an enigmatic figure in the world of spirituality, rejected the labels often associated with mystics and gurus. Having lived a life marked by personal upheaval and radical transformation, he utilized his own experiences, often described as a natural state of being, to inform his enlightening discourse. His disregard for traditional enlightenment narratives stems from a desire to strip away the layers of dogma and expectation that cloud genuine understanding, positioning himself as a catalyst for introspection among seekers. I highly recommend *The Mystique of Enlightenment* to anyone seeking a fresh perspective on spiritual enlightenment. This book is not merely for those aspiring to enlightenment but for those willing to confront their preconceptions and engage fully with the idea that true understanding transcends all notions of achievement. Krishnamurti's provocative insights compel readers to embark on a journey of self-inquiry that resonates long after the final page is turned. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists.
