ANTISEMITISM

ROBERT S. WISTRICH

The Longest Hatred

Guillaume Favre

The Longest Hatred:

Antisemitism Robert S. Wistrich, 1991 A history of antisemitism written to accompany the Thames Television series *The Longest Hatred* 1991 Surveys the evolution in antiquity from pagan hostility toward Jews to Christian anti Judaism and the latter's overwhelming influence on modern antisemitism Mentions the antisemitic leanings of 19th century socialist ideologues and of Karl Marx Traces the evolution of Austrian and German antisemitism and their culmination in Hitler's racist ideology and the legitimization of the Final Solution Examines postwar forms of antisemitism in both countries focusing on Fassbinder's play and the Waldheim affair Reviews past and present day antisemitism in Britain America France and Eastern Europe Remarks on the extent of anti Zionist propaganda in the Soviet Union and ideological antisemitic tendencies among former Soviet dissidents e.g. I Shafarevich Surveys the status of the Jews in Islamic lands blood libels in those countries widespread anti Jewish stereotypes the world Jewish conspiracy accusation and Islamic fundamentalist antisemitism

The Longest Hatred Robert Solomon Wistrich, 1991 End-Times Antisemitism Olivier Melnick, 2018-05-30 Often known as *The Oldest Hatred* anti-Semitism has been punctuating Jewish history since biblical days As history's timeline moved towards modernism anti-Semitism evolved with the times Originally it was theological anti Judaism that grew into social and geographical ostracism eventually culminating into racial hatred and ethnic cleansing during the Holocaust In our postmodern era a new anti-Semitism has come on the scene It is cloaked in a garment of social justice and tolerance that to this day continues to turn the victims into the perpetrators as people claim to be anti Zionists or anti Israel but certainly not anti-Semitic anymore Yet more recently as documented in this book classical anti-Semitism has merged with the New anti-Semitism to create a new breed of Jew hatred that I call Eschatological anti-Semitism or End Times anti-Semitism I posit that this anti-Semitism of the Last Days is different from all his predecessors and much more lethal as well Biblically it is Israel's enemy's Satan's last attempt at completely annihilating the Jews This author will compare the different anti-Semitisms historically culturally and biblically as well as expose the current increasing danger of End Times anti-Semitism More than an exposé this book will also offer to equip the reader with the Judeo-Christian principles necessary to fight this final evil against the Jewish people

The Longest Night Petros Charēs, 1985 Treasury of Wisdom, Wit and Humor, Odd Comparisons and Proverbs, 1891 *The thirteen* Honoré de Balzac, 1897 **A Dictionary of Quotations from the English Poets** Henry George Bohn, 1881 The Record of a Human Soul Horace Gordon Hutchinson, 1888

Antisemitism Michael Fineberg, Shimon Samuels, Mark Weitzman, 2007 Dedicated to the memory of the conscience of the Holocaust Simon Wiesenthal to whom it offers a number of personal tributes this book brings together essays by a wide variety of authors on antisemitism and related forms of intolerance racism and xenophobia Starting from the idea that antisemitism constitutes a paradigm case of collective and individual hatred the book examines some of the reasons why it has prospered over the ages and persists in our time even after well nigh universal condemnation

of the Holocaust Some authors see it as a virus always ready to develop and spread wherever Jewish difference is resented Others emphasize that the antisemitic myths are not grounded in reality but depend rather on a fabrication an imagined being to whom every kind of vice and perversion can be attributed Jews Gypsies Kurds Armenians Tutsis they can all be made to fit the bill Simon Wiesenthal believed not in vengeance but in justice for the victims and played a pre eminent and at times lonely role in tracking down individual criminals and bringing them to trial But he knew that was not enough The contributors to this memorial volume representing a range of cultural religious and disciplinary perspectives share that view They know that so long as the Jewish stereotype is vested with legitimacy the fight against antisemitism can never be won Nor can it be defeated so long as it is fuelled by crisis in the Middle East which has allowed some people to give expression to their antisemitism while denying it by treating the State of Israel not as a state with its own particular problems and shortcomings but as a kind of reified Jew These are some of the issues addressed by the authors and essays presented along with others such as antisemitism as a determinant of Jewish identity and the possibility of forgiveness for the perpetrators of genocide The book thus seeks to understand and learn from this particular paradigm of hatred and to suggest ways of countering it in the name of the core values of a common humanity Winner of the 2007 National Jewish Book Awards in the catagory of Anthology
