### FALL LEFT RIGHT GAME

Answer each question with a partner to the best of your knowledge. When finished, the first team to correctly answer all the questions wins! Because this is a game, it's okay if the answers aren't 100% correct after the discussion. 100% and 100% are not the point. This is officially known as 100% Accountability! (Accountability's Peppermint Stick) There are some in the 100% and 100% and around 100% because it's hard to measure the correct answers. Every question is one from my top ten favorite fall questions. The questions start off with the most popular questions starting National Peppermint Stick and then move on to the most recent ones moving to the 2017 and 2018 ones through the questions. Finally, we end with just the 100% ones where we guess the answers. They increase in the difficulty as the questions continue on. I hope you have fun with these questions and answers!
