*The Women* S.E. Lynes, 2019-05-22 Wow just wow Goodreads reviewer Blew me away and I'm still gasping for air Goodreads reviewer Totally jaw dropping Goodreads reviewer Had me on the edge of my seat Goodreads reviewer One of the must read books of the year I could not put this book down Goodreads reviewer The night she moves in with Peter she's so happy so exhilarated so in love Later she will remember a much smaller feeling a tiny one percent in her gut And she will remember pushing that feeling aside Samantha Frayn doesn't know why Peter Bridges picks her a nobody with bitten fingernails and a troubled childhood behind her but she falls quickly He's older charming like fine wine and French films and his beautiful home has real art on its walls Peter transforms Samantha's life in an instant He sees the better version of herself the one she's always wanted to be It's only normal that there's a little friction when she moves in over domestic matters like where things are kept or the proper times to eat sleep and shower She's lucky to be with someone who can help her find a new job move on from childish friends and speak with greater sophistication But as Samantha notices more and more Peter's temper she starts to wonder if there might be consequences to breaking the rules of the world he has so quickly built around her And then she receives an anonymous note that makes her ask is she the first woman to feel trapped by Peter Is she being paranoid manipulated or could she be in danger You can tell the truth about your life but someone needs to be listening Someone needs to trust you And someone needs to save you from the man you thought you loved Readers love *The Women* Wow Devoured in one sitting Loved it Goodreads reviewer 5 stars Had me reading this in one sitting as there was no way I was going to stop until I had finished it That to me is what makes a book great I really loved this book Once Upon a Time Book Reviews 5 stars I absolutely loved this page turner of a novel I cannot recommend it highly enough Goodreads reviewer 5 stars This is a writer who just keeps getting better and better *The Women* is S.E. nine composers born in the twentieth century Avril Coleridge Taylor Grace Williams Elizabeth Maconchy Minna Keal Ruth Gipps Antoinette Kirkwood Enid Luff Judith Bailey and Bryony Jagger to explore the physiological social and political factors that have inhibited women from pursuing careers as composers Is there a biological argument for inferior female creativity Do social structures such as marriage serve to restrict potential women composers Is the gender of a composer reflected in the music they write If so how would this manifest itself The conclusions that are reached are as complex and challenging as the questions that are raised This powerful and provocative book aims to open up debate on these issues which have all too often been avoided by critics and musicologists whose writings have perpetuated arguments that denigrate women's ability to compose By confronting these arguments this study will hopefully begin a reassessment of attitudes towards women and music so that women composers are less of a rarity by the end of the next century **The Lady's Gazette of Fashion**,
