The Lambs Wife One Kiss Goodnight:

The Lambs Wife Tammy Offen, 2005-01-01 This Story is ALL VERY TRUE This is an autobiography of the events and drama that took place in my life Nothing is made up I wrote according to how every thing happened Believe me my life is not easy being the Lamb s Wife Because their were times even being married to God when things got rough But God chose me in the very beginning This story is the most remarkable story in all history You will find out How I am given Power from God to SIGN THE WORD OF GOD And how everything I have had to witness is recorded in the Word of God The King James Edition The Book Of Revelation as John of Patmos writes and documented This will prove to you the reader The HOLY BIBLE IS ALIVE I am the angel of these chapters that are revealed about me I carry the candle of Jesus The Lamb s Book of Life and the Revelation as revealed unto me I am a prophet I do not belong to a cult I am written in the Holy Bible Revelation 22 16 I Jesus have sent mine angel to testify these things in the churches Revelation 21 9 Come hither I will shew thee the bride the Lamb s Wife Every thing has been revealed to me through sight I prefer being left alone but instead I am sending this to you because this revelation is God No one is found worthy to receive But I thought why keep a part of Heaven all locked up then no one would know him like I do One has to believe in order to receive and if you are not ready to receive send this material back to me So this is a big chunk to receive but please give me the chance to witness His truths Mine eyes are the Holy Bible

Reel Knockouts Martha McCaughey, Neal King, 2010-01-01 When Thelma and Louise outfought the men who had tormented them women across America discovered what male fans of action movies have long known the empowering rush of movie violence Yet the duo's escapades also provoked censure across a wide range of viewers from conservatives who felt threatened by the up ending of women's traditional roles to feminists who saw the pair's use of male style violence as yet another instance of women's co option by the patriarchy In the first book length study of violent women in movies Reel Knockouts makes feminist sense of violent women in films from Hollywood to Hong Kong from top grossing to direct to video and from cop action movies to X rated skin flicks Contributors from a variety of disciplines analyze violent women's respective places in the history of cinema in the lives of viewers and in the feminist response to male violence against women The essays in part one Genre Films turn to film cycles in which violent women have routinely appeared The essays in part two New Bonds and New Communities analyze movies singly or in pairs to determine how women's movie brutality fosters solidarity amongst the characters or their audiences All of the contributions look at films not simply in terms of whether they properly represent women or feminist principles but also as texts with social contexts and possible uses in the re construction of masculinity and femininity
