The Last Things:

The Last Things Donald G. Bloesch, 2010-03-23 In *The Last Things* Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church *The Last Things* is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today

The Last Things George Eldon Ladd, 1978 There are two traditional interpretations of the relationship between the prophecies of the Old and New Testaments One sees separate tracts for Israel and the Christian church the other view recognizes a progressive revelation and a unity of the Testaments George Eldon Ladd holds the latter view and asserts that our final word is to be found in the New Testament reinterpretation of the Old Testament prophecy Only as the prophecies are seen in the light of God's revelation through Christ can we clearly understand what they mean in relation to the end times

Heaven, Science, and the Last Things Colin Craston, 2011-01-17 How long will this planet go on How long will the universe last Scientists give projected answers based on knowledge of universal physical laws They talk of billions of years When Christians take part in worship they express belief in what are called the Last Things Death Judgment Heaven Hell concepts based on the Scriptures Can these beliefs be held on to Concerning future events the Bible presents diverse and even incredible ideas that are held by Christians This book is an attempt to interpret the Bible in a credible way and to encourage faith in God's purposes

The Last Things Paul Helm, 1989-01-01 Concern for the present life has overpowered that for the life to come writes Paul Helm in the introduction to this timely study of the four last things death judgment heaven and hell

The Last Things Romano Guardini, 1954

Jesus and the Last Things Dennis J. Billy, 2019-05-20 This book focuses on Jesus the four last things and their relevance for our lives He has much to teach us about these things Jesus faced death with courage and was raised to new life by the power of his heavenly Father He descended into hell and reached out to those who had alienated themselves from God He promised to return at the consummation of time to judge the living and the dead and to establish the fullness of his kingdom He lives forever in the house of his Father hoping to draw all people to himself and make all things new The book reminds us that for Jesus the four last things are just a prelude to the first things He is the Alpha and Omega the beginning and the end He teaches us to put last things first and first things last

Wade Menezes,2017 Few things in this earthly life are absolutely certain but the most undebatable of these is death Every person even the atheist will admit that death is certain Death however is not the last event in this life of ours Immediately after death we shall be judged and then again on the Day of Judgment when all humanity will know us for what we are Too often the reality of Heaven and salvation are highlighted at the expense of the Church s teachings on Death

Judgment Purgatory and Hell Yet these important doctrines of the Church hold the truths of salvation truths that can lead us to Heaven or can pull us away from it In these pages Fr Wade Menezes EWTN television host and Assistant General of the Fathers of Mercy shows us that God has not called us to His wrath but to salvation He shows us that Heaven and Hell salvation and damnation eternal life and eternal punishment are all complementary doctrines They need each other to be complete and we must understand the Church s teachings on all of these doctrines in order to have a balanced view of the world Death Judgment Heaven and Hell these are the Four Last Things toward which we are moving each hour of the day and night Read this book and you ll have a firm grasp of one of the most important doctrines of Holy Mother Church that holds the truths of Heaven and our own salvation **The Founding of a New World** George Herbert Dryer,1898 **The Bookman** ,1894 A Dictionary of Hymnology John Julian,1892
