## **The Kingdom Of Jesus:**

*The Kingdom of God* John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach's reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

**The Kingdom of God** Austin R. Dayal, 2018-11-20 After proclaiming that God's Kingdom had come near Jesus died on the cross This is hard to reconcile with what Jesus announced at the start of his ministry It can only be understood when we realize the relationship between the Kingdom of God and his death Jesus said flesh and blood can't inherit the Kingdom of God but only those who are born of the Spirit and for this reason Jesus had to die on the cross Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God He came into the world to make it happen because without the cross of Jesus there is no fulfillment of the Kingdom The proclamation of Jesus his works and his life have strong bearing on his mission Jesus proclaimed that the Kingdom of God had come near He healed the sick fed the hungry and gave hope to the poor He lived a very basic life with his disciples and had no earthly possessions This was the Kingdom that Jesus proclaimed It gave the power back to the people it gave them dignity and a life of joy and contentment It was about the wellbeing of the whole community and where the leaders served others Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that It was to give them the courage to

leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material This was a very bold step for them to take It was more daring than standing up to preach before a large crowd on the day of the Pentecost The first church in Jerusalem became a place where God's Kingdom had come They rejoiced together as they shared everything and God did mighty works among them This would not have been possible if they hadn't left their own families and possession to join the new community of God's people The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post Constantine period when the church leaders were seduced by the wealth that came from the state treasury The way Jesus the apostles and the early Christians had lived was completely forgotten or overlooked The sixteenth century reformation tried to recover some of the important aspect the Christianity but it did not go far enough At present the church has become its own worst enemy Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus In others the faith in Jesus has failed to translate into a living reality It judges the world harshly and does not reflect the values of God's Kingdom in its daily life We need to reaffirm the apostolic faith and the community life of the early church And become a community of God's redeemed people who follow the principles of his Kingdom This is the true life and witness of the church

The Truth of the Kingdom of Jesus Christ the Only True God Carl Lehman, 2019-12-19 Through life's journey filled with pitfalls one man tells his story of struggle and faith in the Lord and Savior Jesus Christ Carl shares what he has learned in hopes to give God's people an unique understanding of the greatest gift ever given

**The Kingdom of God in the Teaching of Jesus** Bruce Chilton, 1984

**Kingdom Come** Allen M. Wakabayashi, 2009-09-20 God is up to something And his plans are far greater than you might imagine Christianity is not merely about isolated individuals going to heaven It's about God transforming the entire world and making things right Sicknesses will be healed sins will be forgiven injustice will be eradicated and all creation will be redeemed But this is not merely a distant future It's happening now through what Jesus came to establish the kingdom of God Allen Wakabayashi reawakens you to the world changing reality of the kingdom of God With clear biblical insight he unpacks what Jesus proclaimed about the good news of the kingdom and spells out the implications for you today Focusing on the kingdom of God will revolutionize how you live out your faith how you think about your world and how you explain the good news about Jesus Ultimately understanding yourself as a citizen of the kingdom will empower you to be one of God's change agents in the world God is at work to restore everything to be the way he intended it to be and you can be a part of what he is doing Get a glimpse of the kingdom coming and experience his will being done on earth as it is in heaven

The Kingdom of Christ Alfred Radford Symonds, 1873

*The Language of the Kingdom and Jesus* Jacobus Liebenberg, 2011-05-02 This study interprets Jesus parables and the sayings tradition regarding the Kingdom of God from a cognitive linguistic understanding of metaphor It also shows what contribution the theory of metaphor can make when the parables and aphorisms are studied in

research on the historical Jesus The metaphoric nature and polyvalency of the parables and aphorisms of the Jesus tradition undermine their value for research on the historical Jesus The author doubts whether the parables and sayings of the Jesus tradition can be employed to reconstruct the historical Jesus      **The Kingdom of God** David Martyn Lloyd-Jones,1992

When Jesus came He proclaimed the Good News of the kingdom of God Yet nothing He said has been more misunderstood than this A definitive thorough analysis about one of today s divisive issues      **The Banner of Israel** ,1893      Snapshots of the Kingdom David M. Powers,2006 However we approach the parables of Jesus these brief pithy stories at the center of his teaching are of vital importance for communicating his message in our world today Snapshots of the Kingdom presents Jesus parables in such a way as to invite all who read or all who hear into the drama each story contains As combinations of clarity and mystery the parables offer unique insights into Jesus message and his take on the world This book is for all who would like to know more about the teachings of Christ and those who want to understand more deeply the link between his stories and present day life as well as those who teach or preach from those parables      The Kingdom Witness Lee,1980-12-01

Although the kingdom occupies a very crucial position in the Bible many Christians have not understood it properly accurately or adequately The messages in this book given in a conference in 1972 in Los Angeles present mainly the life side of the kingdom While some chapters touch the doctrinal and objective side the primary burden is the life side May these chapters cause the Lord s children to soberly consider their responsibility toward the kingdom and to aspire to live today in the reality of the kingdom by the divine life so that they may enter into the enjoyment of the kingdom in its manifestation with the Lord in the coming age      *The Gospel of the Kingdom* George Eldon Ladd,1990-03-13 In *The Gospel of the Kingdom* renowned biblical scholar George Eldon Ladd delves into the heart of Jesus teachings about the Kingdom of God With profound insight and clarity Ladd explores the nature purpose and fulfillment of God s redemptive plan through the lens of the kingdom motif This groundbreaking work which has shaped the understanding of generations of students and scholars offers a comprehensive and accessible examination of the central message of Jesus ministry shedding light on the transformative power of the gospel and its implications for Christian life and mission      **The Kingdom of Jesus Christ** Eric Reinert,2016-03-08
