The Kill Clause A Novel:

The Kill Clause Gregg Hurwitz, 2009-10-13 The series that started it all A riveting and explosive novel *The Kill Clause* is a brilliantly inventive tour de force by a powerful new master of suspense Tim Rackley is a dangerous man of honor a deputy U S marshal who is very good at his job until everything he believes in is shattered by the brutal murder of his own daughter Betrayed by an imperfect judicial system Rackley watches helplessly as the killer walks free on a legal technicality Devastated furious and burning with a righteous need for vengeance he is suddenly forced to explore his own deadly options a quest that leads him into a shadowy no man s land between justice and the law and into the welcoming fold of the Commission A vigilante group made up of people like him relentless streetwise operators who have each lost a loved one to violent crime the Commission confronts the failings of a system that sets predators loose to hunt again cleaning up society s mistakes covertly efficiently and permanently But as he is dragged deeper into a deadly morass of hidden agendas and murderous justice Tim Rackley discovers that playing God is an excruciating and fearsome task When his new secret life starts coming unwound at an alarming speed he is suddenly caught in the most terrifying struggle he has ever faced a desperate battle to save his marriage his career his life his soul and everything left that s worth fighting for [The Kill Clause](#) Gregg Andrew Hurwitz, 2001 The Avon Books mass market edition of *Do No Harm* on sale July 29 2003 will contain a teaser chapter from *The Kill Clause* *Thriller: Stories To Keep You Up All Night* Heather Graham, Alex Kava, Lee Child, James Grippando, J. A. Konrath, James Siegel, 2007-06-01 Featuring North America s foremost thriller authors *Thriller* is the first collection of pure thriller stories ever published Offering up heart pumping tales of suspense in all its guises are thirty two of the most critically acclaimed and award winning names in the business From the signature characters that made such authors as David Morrell and John Lescroart famous to four of the hottest new voices in the genre this blockbuster will tantalize and terrify Lock the doors draw the shades pull up the covers and be prepared for *Thriller* to keep you up all night [Hollywood vs. The Author](#) Stephen Jay Schwartz, 2018-11-13 It s no secret that authors have a love hate relationship with Hollywood The oft repeated cliché that the book was better than the movie holds true for more reasons than the average reader will ever know When asked about selling their book rights to Hollywood authors like to joke that they drive their manuscripts to the border of Arizona and California and toss them over the fence driving back the way they came at breakneck speed This is probably because Hollywood just doesn t get it Its vision for the film or TV series rarely seems to match the vision of the author And for those rare individuals who ve had the fortune of sitting across the desk from one of the myriad interchangeable development execs praising the brilliance of their work while ticking off a never ending list of notes for the rewrite the pros of pitching their work to Hollywood rarely outweigh the cons Stephen Jay Schwartz has sat on both sides of that desk first as the Director of Development for film director Wolfgang Petersen then as a screenwriter and author pitching his work to the film and television industry He s seen all sides of what is known in this small community as

Development Hell The process is both amusing and heartbreaking Most authors whose work contains a modicum of commercial potential eventually find themselves in the room taking a shot at seeing their creations re visualized by agents producers or development executives What they often discover is that their audience is younger and less worldly as themselves What passes for story notes is often a mishmash of vaguely connected ideas intended to put the producer s personal stamp on the project Hollywood Versus The Author is a collection of non fiction anecdotes by authors who ve had the pleasure of experiencing the development room firsthand some who have successfully managed to straddle the two worlds seeing their works morph into the kinds of feature films and TV shows that make them proud and others who stepped blindsided into that room after selling their first or second novels All the stories in this collection illustrate the great divide between the world of literature and the big or small screen They underscore the insanity of every crazy thing you ve ever heard about Hollywood For insiders and outsiders alike Hollywood Versus The Author delivers the goods With contributions by Michael Connelly Lawrence Sanders Max Allan Collins Alan Jacobson Andrew Kaplan Tess Gerritsen James Brown Peter James Rob Roberge Lee Goldberg Naomi Hirahara T Jefferson Parker Diana Gould Joshua Corin and Alexandra Sokoloff
