## **The Land Of The Long Night:**

The Land of the Long Night Paul Belloni Du Chaillu, 1905      *The Longest Night* Arthur Jacobson, Michel Rosenfeld, 2002-10-28 The American Presidential Election of 2000 was perhaps the most remarkable and in many ways the most unsettling that the country has experienced The Longest Night presents a lively and informed reaction to the legal aftermath of the election by the most prominent experts on the subject With a balance of opposing views including those of some of today's most distinguished foreign political and legal commentators the contributors offer an unusual breadth of perspectives in addressing the judicial institutional and political questions involved in the disputed election Book jacket

**The Long Night of Dark Intent** Irving Horowitz, 2017-07-05 The Cuban Revolution of 1959 was a benchmark of triumph and a harbinger of tragedy to come Rather than herald a new era of Cuba joining the world community of nations as a paragon of democracy as many fervently hoped and believed it would it became instead a new stage in authoritarian rule in the Western hemisphere For more than a half century since then Cuba has been defined by the capacity of a single family to command and determine the fate of a nation and to do so with a minimum of opposition Incredibly even those professing adherence to democratic norms have been ready to forgive the dictator his excesses This volume explains the theory and practice of this absence of internal opposition and the persistence of external support for the Castro family and its entourage The Long Night of Dark Intent is chronological in order with the author indicating major points in each of the five decades covered The volume covers five centers of system analysis economics politics society military and ideology Who or what determines events and decisions is the stuff of real history It is precisely due to variability in causal chains in society that we have huge variance in levels of predictability The course of the Cuban Revolution gives strong support for such an approach to the Castro Era This is a unique unflinching account with a strong emphasis on the importance of U S policy decisions over time      *Blessings for the Long Night* Jessica Kantrowitz, 2022-04-19 When you're in the midst of terrible depression the days and weeks can feel like an eternity From the author of *The Long Night* comes a beautiful collection of poems and meditations for those experiencing the long night of depression In *Blessings for the Long Night* Jessica Kantrowitz's moving poetry acknowledges the pain and relentlessness of depression and offers gentle presence and hope This book does not promise healing or deliverance it is not a guide to praying away the depression Rather through these poems Jessica Kantrowitz who has been where you are hopes to sit next to you in the dark while you wait for the light to emerge The message repeated and built on throughout the book is simply You are not alone you are loved and this will not last forever      The Conquest & The Homesteader Oscar Micheaux, 2021-06-08 The Conquest The novel narrates the story of Micheaux who bears the same name as its famous author and his struggles to become a successful homesteader in Dakota Largely autobiographical the novel details the early years of struggle and hard work that went into surviving the tough Wild West      The Homesteader Jean Baptiste is a hard working man whose only dream is to make a life for himself in Dakota However even as a Black

pioneer he is doomed to be separated from the love of his love due to racial laws prohibiting interracial marriages Thus to avoid the all consuming loneliness he instead decides to get married to Orlean However his new father in law is a nightmare from hell and although a preacher all his attention is focused upon him rather than in the service of god Can Baptiste survive the ordeal or will he succumb to the psychological pressures *Annual Report* Lancaster (Mass.). *The Long Night* Stanley John Weyman,1903 *The People's Bible* Joseph Parker,1887 *The Lone Black Cowboy - Book Set* Oscar Micheaux,2023-12-24 In *The Lone Black Cowboy Book Set* Oscar Micheaux crafts a compelling narrative that delves into the life of the African American cowboy during the early 20th century This work marries realism with elements of folklore revealing the often overlooked contributions and experiences of Black cowboys within the American West Micheaux's straightforward yet evocative prose exposes themes of identity race and resilience offering a rich tapestry that reflects the complexities of the African American experience during a time of pervasive segregation and injustice Oscar Micheaux a pivotal figure of early African American literature and filmmaking drew on his own experiences as a homesteader and filmmaker to create authentic portrayals of Black life Born in 1884 to former slaves Micheaux faced numerous societal challenges that fueled his desire to highlight marginalized voices in an era dominated by racial stereotypes His innovative storytelling and commitment to representing Black culture have left an indelible mark on American literature and cinema I highly recommend *The Lone Black Cowboy Book Set* to readers seeking both an engaging narrative and a deeper understanding of the contributions of African Americans to the tapestry of the American West Micheaux's work is not just a celebration of the cowboy life but a vital commentary on race and identity that resonates with contemporary audiences In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work's strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes **The North Pole, and what Has Been Done to Reach It: a Narrative of the Various Arctic Explorations Undertaken by All Nations, from the Earliest Period to the Present Time, Etc** Percy Bolingbroke SAINT JOHN,1875
